

## Costoff is re-elected Demo chairman

Christ Costoff, a longtime Madison alderman, and Dr. Edward Ragsdale, an Alton physician, again will head the two major political parties in Madison County.

The parties assembled Monday night in third-floor courtrooms on opposite sides of the County Courthouse in Edwardsville for their biennial conventions.

Democrats chose Costoff, 71, for a third two-year term as party chairman, despite controversy related to the continuing inroads by independents over party-aligned candidates.

Republicans unanimously picked Dr. Ragsdale for a fourth term and took a stand against any Third Circuit judicial candidates who pay campaign financial assessments to the Democratic Party apparatus.

The Republicans, who met publicly, will be led by Dr. Ragsdale, Secretary Donna Graham of Collinsville and Treasurer Uddell Wehling of Alhambra.

GOP speakers included State's Attorney Donald Weber, who praised his party for meeting openly. He asserted that the Democrats "as usual have crowds in the hall wondering what's going on."

In their deliberations, which were restricted to currently active precinct committeemen, the Democrats named Edwardsville Township Supervisor Robert C. Stille to a new position of vice-chairman.

For chairman, longtime Granite City Democratic Chairman William

## Stille vice-chairman; 4th term for GOP's Ragsdale

Harrison, Nameoki Township Democratic Chairman Harry Briggs, William R. Haine of Alton, Stille and other "favorite sons" had been among those receiving votes, but Costoff built a steadily growing lead.

When George W. Donohoo cast Wood River's votes for Costoff, virtually assuring him a first-ballot victory, the election was made unanimous.

Donohoo then pushed to garner the vice-chairmanship but was defeated by

Stille, who ran for county treasurer in a three-way March 16 primary election race against the incumbent and against the party-endorsed candidate. The incumbent county treasurer was renominated in the primary.

Stille said Tuesday his duties as Democratic vice-chairman remain to be defined.

Before concluding their convention, the Democratic committeemen approved a resolution offered by Dick Allen of Granite City.

It calls for formation of a committee of non-committeemen—including representatives of business, labor and other groups—to advise the party's executive committee during the Nov. 2 general election campaign.

Costoff, born in Kereka, Bulgaria, has resided in Madison for 57 years.

A former General Steel Industries welder, he later helped operate a tavern and was a bail bondsman. He was employed in the 1970s and early 1980s by the Drivers License Division of the Illinois Secretary of State Office.

Costoff has more than 40 years of service as a Democratic precinct committeeman.

"This is my last term," he commented after the convention. "I'm going to try to get everybody together so we can win all the offices in the election in November."

It was Costoff who ruled that a vote

## Columbia pilot is no stranger

It wasn't just the space shuttle Columbia which landed Tuesday morning on the grassy sands of White Sands, N.M. Inside the shuttle were two brave astronauts and inside the mind of one of them were memories of Granite City.

Astronaut C. Gordon Fullerton was a guest here April 14, 1975, when he addressed an area meeting of the Order of DeMolay in the cafeteria of Granite City High School (South).

Banners welcoming Major Fullerton were put up in the cafeteria and a large crowd of about 500 welcomed him with enthusiasm.

It was a busy time in the Quad-City area. Chouteau Island residents were

trying to claim their possessions after the worst flood in many years. Granite City Mayor Paul Schuler had just been elected to his first term of office and campaigns were in full swing for Pontoon Beach and area park officials.

Amidst all that activity, then Major Fullerton brought the space age home to Granite City. He discussed the United States' achievements in space and the plans for far into the future. Even then, planners were working on designs for a space vehicle which could be used over and over again for trips into space.

Major Fullerton was assigned to the U.S. Air Force Manned Orbiting

Laboratory program as a flight crew member when he visited here. Then, the need for a reusable space shuttle as a primary transportation source to supply a proposed orbiting laboratory was recognized.

Tuesday, nearly 9 years later, Astronaut Fullerton found himself seated in probably the most famous manned space ship of all times next to Astronaut Jack R. Lousma as Columbia descended gracefully 141 miles onto the sands of New Mexico, one day behind schedule.

Even those who conquer space find that the Earth's weather can ruin up the most carefully made plans. The shuttle, the first spacecraft which lands on

"runways," also became the first American spacecraft in history to have a landing delayed due to weather conditions.

Earlier spacecraft which parachuted into the oceans simply were rerouted to calmer water areas.

Interrupted operations in the primary landing locations.

However, when Columbia was ready to descend for Monday's scheduled landing, they were "waved off," due to high winds, blowing sand and poor visibility in New Mexico.

Tuesday's landing went smoothly as the weather calmed enough and the Columbia touched down, ending what was termed "a 100 percent mission."

## Study shows brighter future ahead for area

By GEORGEANN MCGEE of the Press-Record

The Quad-City area of the future may hold buster highways and waterways from multiple trucking distribution points and small scale steel processing companies, plus an influx of professional workers with the addition of regional centers.

That's where the future of the Quad-City area may be, according to Carl Muehlenbruch, head of Tec-Search, Inc., a company which scouts industrial sites.

Muehlenbruch said the days of searching for a few labor-intensive industries to employ a particular area's workforce are ending.

He made his comments at the fourth of the four-part lesson in economic development held for government and business leaders here last week. The group will meet again later this month to put their lessons to a practical test and return with "solid input," said Alan Richardson, Tri-Cities Area Chamber of Commerce manager.

"It will be a tragedy if you don't come

back," he told the audience last week. The seminar was sponsored by Illinois Power and the chamber.

Last night, the chamber's core met with Illinois Power's Vice-President William E. Warren, who explained his company's intentions to develop its Northgate industrial park here and the company's commitment to economic development to the area it serves.

According to Muehlenbruch, a wealthy market is waiting to be developed, but to grasp it the area must be aware of its true strengths and liabilities and know exactly what it has to offer potential clients in terms of profits.

With Illinois Power's 427-acre Northgate industrial park waiting in the wings, Richardson and the chamber's new Economic Development Committee are setting the stage for the trucking industry's arrival here.

While trucking ports in St. Louis deteriorate in the midst of crowded city and county areas, on side of the river,

## S. M. Wilson dies

S.M. Wilson, 91, of 1770 Ben Franklin Drive, Sarasota, Fla., a founder of S.M. Wilson Construction Co. here in 1921, died at his home, March 29, 1982, at his home. He had been ill for one day.

Well known in the construction business in the Madison and St. Clair Counties, Mr. Wilson and the late W.W. Stubbs began their career in the building business when they became partners as S.M. Wilson Construction Co. in 1921. They were instrumental in building several of the first structures in the area. First Church of Christ Scientist, located at 2540 Delmar Ave. and Christian Welfare Hospital and Bethel Women's Home, both in East St. Louis, were among the early construction projects completed by the local firm.

After Mr. Stubbs died in 1931, Mr. Wilson and Carl Lomax formed a partnership in 1938 and incorporated in 1954. Mr. Lomax died in November 1962.

During World War II, and for a time thereafter, Mr. Wilson served on the Granite City Plan Commission.

The company continued in the construction field and subsequently built the

## Ground is broken for Vietnam memorial

By VALERIE EVENEDEN of the Press-Record

The dream of one man became a reality on Friday, March 26, when ground was broken in Washington, D.C., for the nation's memorial to its Vietnam veterans.

The first monument of its type to be constructed entirely by public donations.

The \$7 million memorial being built on two acres in Constitution Gardens, between the Lincoln Memorial and the Washington Monument, will be dedicated on Veterans Day, Nov. 11.

The memorial will have a strong impact on many families in the local communities. A total of 34 young men from the Quad-Cities was killed in the Vietnam War. Hundreds more were wounded.

"Let this memorial begin the

healing process and forever stand as a symbol" of national unity, said Jan Scruggs, the founder and president of the Vietnam Veterans Memorial Fund, at the groundbreaking ceremony.

Scruggs is a former infantryman who saw more than half of his unit killed or wounded in Vietnam and was wounded there himself.

Almost singlehandedly, he persuaded Congress to authorize the memorial and donated the building site, providing he could raise enough money and pledges to construct it.

Initially, Scruggs sold a piece of land he owned and then started out to enlist others in the project. To further his goal, he then formed the VVMF in April 1979 as a non-profit organization.

Purpose of the VVMF fund is to

Daniel E. Pregrave, director of bands at Washington University, will be the guest conductor at the 1982 All-City Band Festival to be held at Granite City High School South Memorial Gymnasium at 7:30 p.m. on Saturday.

About 300 musicians will be performing various musical pieces under the direction of Pregrave.

Participating in the program will be three combined bands of elementary, junior high school and high school band students.

Pregrave is an active trumpet player in the St. Louis area and was a principal in the St. Louis

Philharmonic for eight years. Before coming to Washington University, he was solo trumpet with the Military Air Force Band at Scott Air Force Base.

Bands and directors to be participating in the concert are: the Frasier-Coolidge Junior High School Band, Mary Ann Davis, director; the Nameoki Division Band, Zsolt Mayhath, director.

The Lake Division Band under the direction of George Johnson (substituting for Alicia Popelchek); the Grigsby Junior High School Band, Vivian Raffaelle, director.

The Granite City High School North Band under the direction of Robert D. Todoroff and the Granite City High School South Band with Joseph E. Owens, director.

The price of admission for the festival is 50 cents for students and 75 cents for adults.

**Panel to review state capital freeze plans**

Governor James R. Thompson on Friday named a group of representatives to an advisory panel to review the possible exemption from the governor's recently announced capital freeze plan.

"The members of this committee will work with people within my administration to develop rules that we will use in determining which public buildings projects should be exempted from the capital freeze. The panel will concentrate on the issue of which projects should be exempted because of life, health and safety reasons," Thompson said.

"It is important that labor and contractors have a voice in the process of determining which projects should go forward because of health and safety reasons and which should be held until economic conditions get better."

The advisory committee is composed of Chicago and Downstate representatives of builders and building unions.

The appointees are: Warren E. Seaver, Glenview, International Representative of the Operative Plasterers and Cement Masons' Union.

William Horstman, Belleville, executive secretary of the Southern Illinois Building Trades Council.

William Lytle, Elmwood Park, former president of W. O'Neil Construction and Director of the Associated General Contractors.

Fred Blythe, Springfield, president of Jones-Blythe Construction Company and past president of Associated General Contractors, Central Illinois Division.

On Feb. 2, Thompson announced that he was imposing a freeze on state construction during the current fiscal year, which ended June 30.

Included in the freeze are all current projects for which contracts have not been approved or on which construction has not begun. He said state construction will be limited in the new fiscal year to projects that provide urgently needed prison beds.

emergencies, continue ongoing construction and involve transportation.

Thompson took the action to respond to current bond market conditions as well as

saving the state \$30 million in general revenue funds in the new fiscal year.

The governor said the freeze will be examined after it has been in place for six months. At that time, the state's budget, position and the national bond market situation will be reviewed. If those conditions are favorable, he said, deferred projects will continue.

**Downtown mini-park discussed**

The possibility of waiving school taxes on a downtown lot will be considered by the Granite City Board of Education April 20, when Gene Gunderson of the city governmental staff will outline ways in which it could be maintained as a mini-park.

A corner lot at 19th Street and Delmar Avenue is owned by the city. The lot that is under discussion with the school district is adjacent to a building where a large mural has been painted.

Gunderson attended the last Board of Education session on behalf of the municipality's Rehabilitation Board.

He said, "The board is currently involved in the organization and development of the downtown business district of Granite City. One of the present projects includes purchase of a parcel of property adjacent to one already owned by the city."

"This parcel in question is located near the intersection of 19th and Delmar and is held presently by Madison County for back taxes."

"The Rehabilitation Board asks that your board abate your share of the taxes on the property to bring the cost of the desired project for that corner lower, so the final plans would be easier."

The plan is to create a mini-park, the first step to the overall improvement of downtown.

The school board asked for data on the present ownership of the lot, more details of how the park would be established and perpetuated, and what it would like.

The amount of taxes involved was said to be about \$4,000; it was noted that the school district receives about 80 cents of each local property tax dollar.

The tax debt has been owed and accumulating since 1975, School Supt. B. J. Davis said.

School Attorney William W. Schooley was asked about the tax waiver request and said the issue involves "abating the district's tax lien on the property to permit transfer to the city for the purpose of improvement of downtown Granite City."

"School District Nine has an interest in the real estate by virtue of its lien for the proportionate share of taxes due."

"The interest can be transferred pursuant to Illinois Revised Statutes Chapter Thirty, 156 through 158."

"The transfer can be by resolution abating the taxes, voted by the Board of Education (if approved by two-thirds of the seven members—five or more members)."

**Barn camping new adventure**

Troop 7 Boy Scouts took part in Barn Camping Adventure IV recently, hiking to and from the farm of LeRoy Stark, Uniwalk District Training Office.

The Scouts stopped once each way for a refreshment break. While hiking to the campsite, the boys learned and practiced the proper way to take a safe night hike along the highway.

Trailmasters for the hiking portion of the camping adventure were Eric Markovich and Kevin Williamson.

At the barn-campsite the scouts participated in various activities including: campfire with campfire skits; game of "modified speedway," which ended in a scoutcraft session in hiking, and the filming of a scout-made movie for the presented later. Eagle Scout Steve Kusmierczak directed the film.

When camp ended, the Scouts presented Stark with a certificate of appreciation for permitting them to camp at his barn and, more importantly, for being their friend.

Scouts attending were Junior Assistant Scoutmaster Steve Kusmierczak Jr., Senior Patrol Leader Kevin Williamson, David Pincus, Mark Brazel, Jeff Kittel, Chuck Matosian, Kerry Martin, Eric and Karl Markovich, Joey Kusmierczak, James Barron, and Mike Brazel.

Ted Brazel and Karl Markovich Sr. transported the troop's supplies and gear. The Troop is sponsored by St. Joseph's Catholic Church and is under the leadership of Bro. Robert Manzer.

**Early promotion to senior airman**

Patricia A. Scheels, daughter of Sandra L. Dudley of East St. Louis and of Robert L. Ray of 478 Nameoki Road, Granite City, has been specially identified for early promotion to senior airman in the Air Force.

She was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, bearing and self-improvement efforts.

Mrs. Scheels is a training specialist with the 455th Civil Engineering Squadron at Rhein-Main Air Base, West Germany.

She is a 1976 Granite City high school graduate.

Her husband, Air Force Staff Sgt. Edward H. Scheels, is the son of Alvin R. and Ellen Scheels of Lima, Ohio.

## Shroud of Turin photographic exhibit at Shrine this month

The National Shrine of Our Lady of the Snows in Belleville will have a photographic exhibit of the Shroud of Turin beginning Palm Sunday, April 4, through Easter Sunday, April 11.

The exhibit, shown for the first time in the St. Louis area, will be open to the public in the Dr. Tom Dooley Center from 9 a.m. to 8 p.m. each day. Admission is free. Groups are being asked to make arrangements in advance.

The Shroud is thought to be the funeral sheet in which Jesus Christ was wrapped, naked and unwashed, in the tomb. The exhibit consists of 80 mounted photographs and a crucifix, according to the Holy Shroud. Currently traveling across the country, the exhibit is being viewed by thousands of people at each of its locations.

"How fortunate we shall be if this picture, left imprinted on the Holy Shroud, permits us to contemplate some of the original physical features of the adorable face of Our Lord Jesus Christ, and if also it truly satisfies our desire - no keen today - to know him visibly," said Pope Paul VI.

More information about the Shroud of Turin exhibit is available by calling the Shrine at 1-397-8700.

SHROUD OF TURIN, believed to be the burial cloth of Jesus Christ which retained the image of his features, will be the topic of a photographic exhibit at the Shrine of Our Lady of the Snows near Belleville beginning this weekend.

### Estate planning seminar April 8

An Estate Planning Seminar will be conducted by the Illinois State Trust Co. in cooperation with Belleville Area College beginning Thursday, April 8. The seminar, which will consist of five evening sessions, will cover wills, trusts, taxes, life insurance and investments, and a panel discussion with a question and answer period.

Wills will be discussed at the first session, scheduled for 7 to 9:45 p.m. April 8 in room 1410 at the BAC main campus, 2600 Carlyle Road, Belleville.

Covered will be the preparation and form of wills, probate procedures and estate administration, and disposition of estates without formal administration. Also to be discussed are methods of holding title to assets, joint tenancy, tenancy in common, payable on death accounts and Totten trust.

Other sessions will be from 7 to 9:45 p.m. in room 1410. They will include:

— April 22, living trusts (revocable and irrevocable) and trusts under will.

— April 29, federal estate taxes, federal gift taxes, Illinois inheritance taxes and income taxes in decedent's estate.

— May 6, types of life insurance and use of insurance in estate planning, and

— May 13, panel discussion, workshop and question-answer session.

Registration for the seminar is \$20 and payment is due Monday, April 5. To request a registration form, interested persons may contact the General Studies and Community services Division at Belleville Area College, 1-235-2700, extensions 201, 202 or 289.

#### FIVE CHARGED AFTER POLICE PURSUE AUTO

David E. Canada, 26, Collinsville, was charged with reckless driving, transporting beer and driving with only one headlight at 9:40 p.m. Tuesday. Beer possession charges were filed against Keith Kelley, 19, of 104 Central Lane, Mitchell, and three Collinsville men, Bret S. Gibbs, 23, John W. Hart, 26, and Patrick F. Briggs, 26.

Police saw an auto traveling north on East 23rd Street past Namenski Road at high speed and chased it with sirens and flashing lights to Route 189 and Maryville Road. They are investigating a plastic bag found in a glove compartment.

## Sessions for artists

Deadline for entering the Town & Country Amateur Art Show is April 30. Entry forms and rules may be either picked up at the University of Illinois Extension office, 900 Millstone Avenue, Edwardsville, or obtained by calling 1-855-8400.

The Art Show will be held May 14 to 16 in the rear section of Overbeck's Paint and Wallpaper Store, 130 North Main Street in Edwardsville. The recently

rededicated store space will be temporarily cleared by store owners to accommodate art pieces and visitors to the weekend exhibit.

Two pre-show framing workshops have been scheduled to help entering artists with framing selections that will best complement their compositions. The sessions will be held at The Framery, 447 South Buchanan, Edwardsville, on April 12 from 10 to

11:30 a.m. and April 13 from 7:30 to 9 p.m.

Interested artists should plan to attend only one of the two duplicate sessions as enrollment is limited to 30 each. Artists may register by calling 1-855-8400 no later than April 9. There is no fee. Both sessions will be taught by Charlene "Charlie" Opaal.

Further information about the May Exhibit or the April workshops may be obtained from Geraldine Bower, University of Illinois extension adviser, at 1-855-8400.

**CLOWNS-IN-TRAINING.** Young people from Tri-City Park Tabernacle learn makeup techniques for their role as clowns at a children's rally and Easter egg hunt, scheduled Sunday at 9:30 a.m. at the church. Around the table, from left to right, are Deridre Johnson, Robin Morelan, Dorothy Martin, Darren Dickey, Crystal Eggemeyer, Dawn Hutson, Lori Bradley and Karen Black. In the background are Trudy Black, left, and Marie Martin. All youngsters in the first through sixth grades are invited to attend.

## Children's rally, hunt

Clowns, puppeteers and magicians are continuing to prepare for a special rally to be held Sunday at Tri-City Park Tabernacle, 3400 Maryville Road.

The event, starting at 9:30 a.m. at the church, will take place in conjunction with the citywide Easter Egg Hunt for grade-school youngsters. A mini-drama of the Easter story, a hunt for 10,000 hidden eggs and distribution of more than 1,000 helium-filled balloons

will highlight the day's activities.

A group of clowns, which features Robin Morelan, Deridre Johnson, Dorothy Martin, Trudy Black, Darren Dickey, Marie Martin, Crystal Eggemeyer, Dawn Hutson, Lori Bradley and Karen Black, will perform skits and distribute the colored balloons, according to the sponsors.

All children in the first through sixth grades are invited to attend the rally.

## Easter Seal Ball Saturday

The 8th Annual Easter Seal Ball, sponsored by the Easter Seal Society of Southwestern Illinois, will be held on Saturday at Stouffer's Riverfront Towers in St. Louis. The event includes a cocktail party, dinner and a benefit auction. Music for dancing will be provided by Al Pierson and his Big Band USA.

The Sponsors' cocktail party will take place from 6:30 p.m. to 7:30 p.m. in the Lewis & Clark rooms, just before the beginning of the

ball. Persons wishing to attend the Ball may contact the Easter Seal Society of Southwestern Illinois at 756 Central Avenue, Alton, by telephone 1-462-8897.

**DAMAGES PARK STAND** A motorist drove through a portion of Wilson Park's late last week and left his auto long enough to kick a hole in wood paneling of a swimming pool concession stand. He fled when a park staff member approached.

## Insurance sales seminar is April 8

The 10th anniversary "I-Day" Insurance Sales Seminar will be presented by Belleville Area College, the East Side Life Underwriters and the Southern Illinois General Agents and Managers Association, Thursday, April 8.

Representatives of three large life insurance companies will speak and there will be a number of displays for participants to visit. The program will begin with registration and coffee at 8:45 a.m., followed by a presentation by Fred D. Donaldson of New York Life Insurance Co., Enterprise, Ala. Donaldson, a graduate of Auburn University and Jones Law School, has been a recipient of the National Quality Award for the past 23 years and was chosen Life Underwriter of the Year for the Alabama Association of Underwriters in 1975.

David Hahn of Northwestern Mutual Life, Cape Girardeau, Mo., will speak at 10:45 a.m. In 1981, production topped \$6 million and he was named one of Missouri's 10 outstanding young men. He graduated magna cum laude from Southwestern Missouri State University.

Following a buffet luncheon, Mehdi Fekharzadeh of Metropolitan Life Insurance Co. will speak. In 1981, he was Metropolitan Leader with a production exceeding \$11 million. In 1978, his book, "Nothing is Impossible," was published by Farnsworth Co. He graduated from the University of Tehran in 1966 and received a master's degree from Brigham Young University.

The seminar will be at Fischer's Restaurant, 2100 W. Main St., Belleville. Registration is \$15 in advance, \$17.50 at the door. April 6 is the last day advance registrations will be accepted.

For information, interested persons may contact the General Studies and Community Services Division of BAC at 1-235-2700, extensions 201, 202 or 289.

DR. ROBERT ECKERT  
Promoted

## Heads research at Weyerhaeuser

Dr. Robert Cornell Eckert, son of Mr. and Mrs. Elmer G. Eckert, 2525 Hodges Ave., now heads the Research Department at Weyerhaeuser Paper Co., in Seattle, Wash. The promotion was announced by the firm last week.

A native of Granite City, Dr. Eckert graduated from the local high school in 1963 and with honors from the University of Illinois at Champaign-Urbana. He received his Ph.D. from North Carolina State University, where he has since returned on occasion as a guest lecturer.

Dr. Eckert, a chemical engineer, joined the Weyerhaeuser company three years ago.

He is married to the former Lynn Diamond, also a University of Illinois graduate. They have three children, Jennifer, 8, Matthew, 6, and Carolyn, who will celebrate her third birthday on Sunday.

## Auditions for music grants

The Belleville Area College music department will hold auditions Monday, April 5, for vocal and instrumental scholarship for the 1982-83 school year.

The awards, which reduce tuition by approximately 90 percent, are designated for incoming talented students who will major in music. Awards will be given to a singer and an accompanist for the College Choir and to two musicians for the Jazz Lab Band.

The auditions, to be from 6 to 8 p.m. in the music rehearsal room at the main campus, 2500 Carlyle Road, Belleville, will be approximately 10 minutes long. Contestants must provide their own accompanist, if one is required. Warm-up facilities will be available.

Students, chosen on the basis of their audition performance, must be a full-time student during the school year for which the scholarship is awarded, perform in the designated music department ensemble for that year and be enrolled in Music Theory and Private Applied Music.

For information on instrumental auditions; musicians may contact Jerry Bolen, 1-235-2700, extension 254, or 1-277-3884. Voice and keyboard auditions may be arranged by contacting A. Dennis Sparger, 1-235-2700, extension 249, or 1-235-0340.

**TWO CHARGES FILED** Stephen Presley, 25, of 2725 Buxton Ave., was charged with transporting beer in an auto that was parked at 2:10 a.m. Tuesday at Janday Lane and Oaklawn Drive.

Also charged with driving with a revoked license, he pleaded innocent that afternoon and was held in lieu of \$502 cash bail.

## Housing may begin recovery during spring

The housing market appears poised for recovery this spring, but the upturn in home sales and housing starts is likely to be gradual, Dr. Jack Carlson, chief economist and executive vice-president of the National Association of Realtors, predicted this week.

"Slight declines in long-term mortgage rates should renew some interest by homebuyers this spring and summer," Carlson said, "but the risk of new interest rate hikes may dampen the recovery."

The economist predicted that existing home sales will total roughly 2.4 million units during 1982, up 25 percent from current levels, and climb to 3.7 million units in 1984, up 105 percent from now, but still slightly below the 1970 peak, when 3.88 million units were sold.

Housing starts are expected to pick up during 1982 and to gain strength as the recovery continues, Carlson added. About 1.15 million housing starts can be expected this year, and this rate should steadily increase to a level of 1.5 to 1.7 million in 1984, he said.

**CASUAL WEAR LTD.** opens last week with a ribbon cutting by Mayor Paul Schuler. The new clothing shop is located in the former Libson Shops store at 1321 Nineteenth St. In the front row from left are Lou Albietz of Stefanie's Shop; Helen Bell, an employee of the new shop; Thelma

Pyle, manager of the new store; Mr. and Mrs. Jack (Shirley) Martin, owners of Casual Wear; Mayor Schuler; Dave Knollman, president of the Tri-Cities Area Chamber of Commerce; Julian Burns of Bill Burns' Cafeteria and Ron Stephens of Hub Drug Store.

## State requests more free cheese

Governor James R. Thompson said Monday that Illinois has requested an additional 3.5 million pounds of surplus cheese to be

distributed to needy Illinois residents. The surplus cheese, made available to the states by the U.S. Department of Agriculture, will supplement 1.5 million pounds of cheese that was distributed in Illinois in February.

The current proposal involves distribution of the cheese to food banks throughout the state. These private organizations regularly distribute food to individuals in need. The cheese would serve as an addition to the food banks' normal food supply. Participating food banks will distribute cheese over a six-month period, as needed, beginning in May.

Additionally, some of the cheese will be made available to other private groups for one-time only distribution.

The 3.5 million pounds represents Illinois' requested share of a total 70

million pounds of cheese being released nationwide. Further details of this second surplus cheese distribution will be announced once the United States Department of Agriculture responds to the state's request, which contains Illinois' distribution plan.

## DUI IS CHARGED

Charles Jaycox, 29, of Madison, was arrested by Collinsville police during the weekend for driving while under the influence of alcohol. Police said Jaycox was driving in an erratic manner. He was arrested at St. Louis Road and O'Farrell in Collinsville.

The artichoke is a variety of thistle.

## Addition to U of I library

Governor James R. Thompson broke ground at the University of Illinois' sixth stack addition to the main library Friday and announced that the project will cost nearly \$2.4 million less than expected.

"The sixth stack addition will not only accommodate constantly increasing library holdings but also will make possible more useful and efficient storage for the entire library collection," Thompson said.

"The fact that the project will cost less than originally forecast is good news for the school and for the state," he said. "In a time of rising construction costs, the sixth stack addition is solid proof that the state can improve services while still holding down costs."

The project will add 76,750 square feet to the library and provide storage for more than 1 million volumes, the governor said. In addition to 59,000 square feet for the bookstack area, 3,500 square feet will be used for reading and study areas and 500 square feet of office space will be built.

The project originally was to cost \$10.3 million, but will cost \$7.9 million. The reduction is due to design changes and the awarding of trade contracts well below budget, Thompson said.

The addition will be constructed adjacent to and west of the existing stack facilities, with provisions for the handicapped. The facility is scheduled for substantial completion in December, 1983, and final

establish the national memorial honoring all Americans who served in the Vietnam war, particularly the 57,000 men and women who died in the war or are unaccounted for.

By unanimous joint resolution on July 7, 1980, the U.S. Congress set aside, at no cost to VVMF, the two-acre site in the nation's capital for the memorial.

Vernice E. Walter, 2400 Washington Ave., has been appointed VVMF coordinator for Madison and St. Clair counties, and is busy contacting organizations, business firms and others to enlist their support for the memorial fund.

In discussing the fund-raising drive last week, Mrs. Walter said the state of Illinois was chosen to spearhead a campaign to raise the necessary \$7 million, thereby enabling the memorial's dedication, debt free, next November.

Last November, Illinois Governor James R. Thompson issued a statewide proclamation honoring the Vietnam Veterans and establishing a corporate advisory board, a state coordinating council and an Illinois campaign fund.

State fund sponsors include Gov. Thompson, U.S. Sen. Charles H. Percy, Alan J. Dixon and Congressman Paul Simon.

Nationwide, there are service clubs, veterans' groups, professional and educational organizations, seniors' clubs and high school age youth working toward the \$7 million goal, Mrs. Walter said.

"On a large scale, the American Legion national organization has pledged \$1 million to the project. Locally, the Granite City Republican Women and the American Association of Retired Persons Chapter 1340 have contributed donations," she said.

The bi-county coordinator reported contacting Southern Illinois University administrators at the Edwardsville campus for assistance in the drive. She also has received approval from Regional Superintendent of Schools Harry Briggs for participation by area schools.

Servicemen from the Quad-City area killed in Vietnam were:

From Granite City—Michael

Edward Adams, Loren Eugene Bradley, John Bernard Causey, Gene E. Chepey, Terry Lee Davis, James Leslie Dayton, James Ray Dowdy, Norman Charles Fletcher, Wayne Arthur Garber, Richard John Giebe, James Larry Fuller, James Charles Hine, Robert James Emery, Gerald Lee Elliott, Thomas Edward Harrison, William Cecil Hinkle, Bobby Dale Jennings, Ralph Roger Justice, Joe Lutenegger, Blaise Magyar III, William Lloyd McFarland, Donald Kenneth Mink, Douglas Wayne Richards, Richard Eugene Shilt, Newton Lee Tapp, Benjamin Joseph Sullivan and David Earl Wells.

Those from Venice were: Donnell Bell, Melvin John Preise, Robert James McIntosh and Gary Lee Wallen.

Those from Madison were: Johnny Ray Cobb and Gary Darvin Woods; and from Mitchell was David Luther Fisher.

More than 2,000 people attended the groundbreaking and 125 Vietnam veterans and dignitaries turned over shovelfuls of dark earth during last week's ceremony in Washington.

Richardson is looking at the possibility of bringing in developers willing to construct speculative buildings as distribution centers.

Richardson said a past problem with attracting distribution centers here was a lack of good available buildings.

"We can serve the St. Louis (distribution) market exceptionally well," said Richardson.

Mullenbruch cited the Quad-Cities area "unique combination" of rail, water and roads systems.

"We have to do what is unique and manageable," he said.

According to Carl Mathias, however, Illinois Power does not want to see its industrial park used primarily for warehousing space—a low utility user which would bring less jobs into the area than more industrialized developments.

The Economic Development Committee indicated they might try to revive an interest in freeing land from the St. Louis Support Center (Depot) here for warehousing space.

and expansion exist and cited the "bottled up" southern end of the steel plant.

City governments and the local financial community better start communicating with Granite City Steel to find out what its future land needs are, he said.

"At the same time, provisions should be made for the land needs of prospective companies who would be natural industrial neighbors for the steel plant.

The Quad-Cities could use Granite City Steel as a draw for locating steel processing plants with the incentive lower transportation costs and instant supply.

"An industrial relocation rush to the southwest and our area's 'bad reputation' both have held back growth here, said Richardson, who had lived in the Arizona himself.

But the Southwest is losing its unique appeal as it becomes industrialized and as it stretches its available water supply, he said.

would be held on the position of vice-chairman.

Donohue, who is one of the most active questioners when Democratic screening panels interview prospective candidates, said the vice-chairman opportunity was "a dream come true," but could not muster enough votes to overcome Stille.

Costoff was out of circulation for a time during the winter, when he was hospitalized. But he has been active in recent weeks, and said he "contacted many committee members by telephone between the primary and the party's meeting, asking for their support."

The Democratic chieftain said "I don't know" what duties will be assigned to Stille, but added that the post will probably be a "helping role."

Already aware that Democrats outnumber them in Madison County, the Republicans were reminded of it Monday night as they noted and responded to ballot vacancies.

Hancel Bailey of Granite City, a probation officer, was chosen to run for sheriff and the GOP also selected candidates for County Board seats.

Mrs. Caroline Dragica (Stoyevich) Novosel, 91, of 2459 Pontoon Road, Ill. for three years, died at 1:05 p.m. Tuesday, March 30, 1982, at Colonial Haven Nursing Home.

A native of Yugoslavia, Mrs. Novosel had resided in this area for 77 years.

She was a member of St. Margaret Mary Catholic Church and also held membership in the Croatian Fraternal Union and was a 65-year member of Veljeit Lodge 222.

Mrs. Novosel was preceded in death by her husband, Steve Novosel, in 1943, and by five children, Nick, Joseph, James, Mike and Ann Novosel.

Survivors include three sons, Tony Novosel of Granite City, Steve Novosel of Collinsville, and George Novosel of Pasadena, Calif.; a daughter, Mrs. Albert (Charles) Noud of Granite City; 10 grandchildren and 11 great-grandchildren.

Visitation will be after 3 p.m. today at Thomas Memorial Mortuary, 2205 Pontoon Road, where the Rosary will be recited at 7 o'clock tonight. A 9:30

a.m. funeral mass will be Friday, April 2, at St. Margaret Mary Catholic Church, 1900 St. Clair Ave., with burial in Calvary Cemetery, Edwardsville Township.

## Earl Penrod

A native of Louisiana, Mo., Mr. Penrod had resided here for 32 years. He was still employed as a machinist at Missouri Pipefitting Co., St. Louis, where he had worked for 38 years.

Mr. Penrod was of the Baptist faith and was a member of the Mechanists Union in St. Louis.

His wife, Mrs. Sylvia (Miller) Penrod, died in 1973.

Survivors include one daughter, Mrs. Edward (Ethel Mae) Miller of Rock

port, Ill.; three sons, William Henry Penrod of Tennessee, Ill., Donald Eugene Penrod of Louisiana, Mo., and Gregory J. Penrod of Granite City; a sister, Mrs. Mary Ella Houshins, Louisiana, Mo.; 10 grandchildren and 14 great-grandchildren.

He also was preceded in death by a brother and sister.

Funeral services will be held at 1 p.m. today, April 1, at Mercer Mortuary Chapel, 1416 Niedringhaus with the Rev. W. L. Showers officiating. Burial will be in Sunset Hill Cemetery, Edwardsville Township. The family request memorials be made to the Heart Fund.

## S. M. Wilson

S. M. Wilson, 91, of 1770 Ben Franklin Drive, Sarasota, Fla., formerly of Granite City, died at his home at 3:19 p.m. Monday, March 29, 1982. He had been ill for one day. He was the founder of S.M. Wilson Construction Co. here. A separate story on his life appears elsewhere in today's issue.

Born in Lexington, Ky., he was a longtime resident of Granite City before moving to Florida 12 years ago.

Survivors include his widow, Mrs. Pearl (Bass) Wilson; two sons, Marion E. Wilson, Sarasota, Fla., and Frank Burton Wilson, Harbour City, Calif.; seven grandchildren and seven great-grandchildren.

He was preceded in death by a daughter, Mrs. Patsy Miller and two sisters, Ethel Wilson and Betty DeVries.

Visitation will begin at 3 p.m. today at Mercer Mortuary, 1416 Niedringhaus Ave., where funeral services will be conducted at 1 p.m. Friday, April 2 by the Rev. Carl Walters. The family request memorials be made to the Heart Fund.

## Astro Travel closes abruptly

BY JUDY TAPLIN

Astro Travel, located in Lake Side Plaza in Collinsville for the past year and one-half, abruptly went out of business Wednesday.

Bob Reinbeck, says he doesn't know why. But Reinbeck told a reporter that Thomas Brimberry, a central figure in the Stix & Co. scandal, was one of the firm's major clients.

Reinbeck said he did not know where the rest of the room's furnishings had gone.

He said he left work at 5 p.m. Tuesday and had received a phone call at 9:30 p.m. informing him that the business was shut down. He said the furniture was gone when he came to the office Wednesday morning.

The abrupt shutdown was a shock to him, and others, Reinbeck said.

"Business was OK. I wasn't the best time to stay in business, but we would have made it," he said.

Reinbeck said the fact that Brimberry no longer used the travel agency "helped bring it down."

He described Brimberry

as "a very good client of ours." He said Astro had not worked with Brimberry in the last 4 or 5 months. "He hasn't contacted us."

Brimberry, senior vice president of the now-defunct Stix & Co. brokerage, disappeared last November after implicating himself and four others in a scheme to defraud the company.

It had been learned in November that up to \$36 million in securities was missing from the company's vault at Boston's National Bank in St. Louis.

In an affidavit, Brimberry alleged that Collinsville attorney Jim Massa, Stix president Frederic Arnstein, Arthur J. Miller, Jerry Maerbas and Brimberry himself had divested securities and money from Stix to their own use and did not report the resulting income to the IRS.

Although Massa has told The Herald he believes Brimberry is an owner of Astro Travel, Reinbeck emphatically denies this. He said the owner is Dan Skinner, a former Pontoon Beach trustee, Brimberry's accountant and believed to be a close advisor of Brimberry.

"I'm absolutely positive we're not owned by Brimberry. If we were owned by Brimberry, we would have been closed long ago," Reinbeck said.

Records show that Brimberry and Skinner were linked in two businesses unrelated to Astro. Brimberry organized Miller Excavating Inc. with Miller and Maerbas in August, 1976. Skinner became a director of that company in 1979, the records indicate.

Numerous attempts to contact Skinner were unsuccessful.

Reinbeck said Astro's closing was "something we didn't see coming or we would have given our clients advance warning." He said all present clients would be called by the end of this week and would be helped to make their travel arrangements elsewhere.

He urged that the clients

be patient if they haven't yet heard from him. "We will get back with them as quickly as possible to straighten everything out for them...We are extremely sorry this has happened."

Present Wednesday in Astro's near-vacant office was Bev Partney, ex-wife of Madison County board member Dan Partney. Mrs. Partney told reporters that she does not know where Brimberry and his wife are, or the location of Skinner. She also said she did not know who had removed Astro's furnishings.

Mrs. Partney has been helping at Astro Travel for a number of months. She told a reporter several months ago that she was helping out Skinner, a friend of hers, and was not paid a salary.

As reported in Monday's Press-Record, Mrs. Partney's ex-husband Dan Partney filed a \$4 million libel suit against Brimberry. Partney says Brimberry falsely accused him of taking up to \$75,000 in unreported contributions from Brimberry in Granite City's mayoral race last spring. Partney lost the race.

## Toxicology class offered

A spring quarter class in toxicology (Chemistry 471) will be offered on Saturday mornings, beginning April 3, at Southern Illinois University at Edwardsville. The course is designed for professionals responsible for occupational health and safety, but is open to any student interested in the subject. Stephen K. Hall, SIUE chemistry professor and certified industrial

hygienist, will teach the 10-week course from 9 a.m. until noon in Room 2224 of the Science Building. Sessions will include the fundamental principles of toxicological events, such as dose and response and extended across chemical and biological systems, Hall said. Additional information is available from Hall at 1-692-2042.

## News notes

Major steelmakers are said to be moving closer to making a formal request for concessions from the United Steelworkers union. Informal talks are continuing on possibly reopening this year the current contract, which extends to August 1983.

More surplus government cheese will be on its way to needy Illinoisans by mid-May.

Shareholders of General Steel Industries approved on Wednesday a definitive merger agreement under which GSI will become a wholly-owned subsidiary of Lukens Steel Company. It will be called Lukens General Industries, with headquarters in St. Louis.

Seven applicants are expected to be interviewed by the Granite City Board of Education at a special meeting at 7 p.m. April 6. The regular meeting that night had been eliminated earlier.

A supervisor of supplemental services is to be hired, with the precise list of duties depending partly on the qualifications and experience of the individual chosen. Some needed skills can be acquired on-the-job, board members remarked.

Dale C. Rea, assistant to the superintendent, is retiring at the end of the 1981-82 school year on June 30. His position will be discontinued but it is hoped that whoever is hired for supplemental services can work for a time with Rea this spring.

The topic was raised at the most recent meeting of Board Secretary Robert Maxwell, who urged prompt action to fill the position.

Some of Rea's current duties are expected to be distributed among present administrators, and the replacement is likely to perform Rea's remaining work and additional tasks now handled by Finance Director Norman Owen.

Board Member David Partney suggested separating Rea's insurance responsibilities from work related to federal financial grant programs. President George Moore Sr. noted that it is being proposed to have the new administrator's workload include coordination of purchasing, bidding and warehouse management. A discussion brought out that Owen at present is upgrading warehouse inventory controls.

While the district's administrative staff has been reduced sharply over a period of years and there is hope of still further cutbacks, board members stressed their belief that a skilled insurance administrator is important to the district, especially since many of the Granite City school programs are self-insured.

Such an individual can save the schools far more than the cost of his salary, it was stressed. Supt. B. J. Davis agreed that knowledge of insurance and reimbursement laws is an essential factor in cost reduction and cost avoidance efforts.

He estimated that self-insurance saved the school system \$170,000 in the past year.

Board Member Thomas Mofsky said it might be possible to delay transfer of warehouse and purchasing responsibilities during a transition period.

The board is uncertain how much could be saved through having an administrator concentrate his attention on buying, ordering and bidding functions, but the superin-

tendent feels the figure might be large.

At present, many departmental administrators help prepare bid specifications in the areas of their expertise, and it is generally believed that a high degree of efficiency and bidding competition has been achieved. Nevertheless, millions of dollars are involved and no one person is devoting all of his or her time to it, it was brought out.

Increasing emphasis is to be placed on ordering supplies for shorter periods of time, spreading out costs and reducing inventories, it was noted. This plan takes into account a lower inflation upturn; the effect of less inflation on future purchase costs; and the possibility of investing idle funds to earn interest.

With federal assistance programs being reduced and altered—and some specific allocations to be replaced by block funding—the school district's monitoring of state and federal budgets, laws and regulations is likely to change substantially, perhaps become simpler, Supt. Davis said.

The temptation to have

administrative staff members carry wider responsibilities than those of a teacher, and this could lead to less effective performance of planning and supervision, hampering not only their newly-assigned duties but also their present work, Fred Moore commented.

Board Member Dewey Melton said, "We need additional supervision. We can't keep cutting back and get the job done."

Partney proposed reducing the amount of stored school equipment and machinery, perhaps selling some at a public auction. With the interviews slated for April 6, the board will attempt to make a final hiring decision at its next regular session at 7:30 p.m. April 20.

## OVERPASS OPENS IN WOOD RIVER

Governor James R. Thompson, opened a major improvement in Wood River during the weekend which will eliminate a critical traffic bottleneck in the area.

"This project is another example of my commitment to improve the Illinois transportation system, a vital part of our economy," Thompson said. "This rail overpass is among the more than 500 bridges that have been replaced or repaired and the nearly 1,500 miles of road that have been repaired in the last four years."

"The new bridge and approaches will relieve what has been a major traffic bottleneck for the community and the surrounding area," he said. "The more than 7,000 vehicles a day that use the road have to contend with more than 50 trains a day."

The project consists of a four-lane overpass carrying Illinois Route 143-Madison Avenue traffic in Wood River over multiple sets of Central Illinois Terminal railroad tracks. Also included in the project are four-lane approach roadways at each end of the overpass. The project is along Wood River's Madison Avenue just east of Illinois Route 2.

The overpass replaces an obsolete two-lane, at-grade railroad crossing and will ultimately carry 15,000 vehicles per day.

## Cancer Crusade drive underway

The Quad-City Unit of the American Cancer Society held its Annual Cancer Crusade Kick-Off Meeting at the township Hall in Granite City on Monday with eighty volunteer workers attending. The volunteers were informed of the organization that has been put together to meet its goal of \$39,900 in contributions from the Quad-City Area to support the American Cancer Society fight to "Wipe Out Cancer in Your Lifetime."

The meeting was led by Joe Lucido, chairman of the Quad-City Unit and he introduced Mrs. Rosalee Cavatolo, R.N., the Crusade chairman for District VIII. Mrs. Cavatolo stressed the importance of volunteer effort to provide the funds necessary to support the massive research to rid ourselves of this dreaded disease. She also stated that the crusade goal for the state of Illinois is \$7 million dollars.

Lucido then introduced Dr. William Popovic, local physician and cancer specialist. Dr. Popovic presented a hopeful picture to all attending on the rapid progress being made in the treatment of cancer. He said that only a few years ago one in four cancer victims would die. Today, 50 percent of his patients will not only live but will be completely cured. Early detection and research directed at treatment will improve on this already high cure rate.

The next segment of the program was a film describing the thrust of the 1982 Cancer Crusade, "Eleven Things That Don't Cause Cancer." This program is directed at the prevention of cancer and will be communicated to everyone in the Quad-Cities through a pamphlet delivered by the door-to-door sales.

## \$3,468,000 CD funds

Madison County Board Chairman Nelson Hagnauer has announced the county will receive \$3,468,000 in Community Development (CD) Block Grant funds from the Department of Housing and Urban Development.

The federal grant will begin Oct. 1 for the 1982-83 program year. Hagnauer pointed out the new grant will represent over a half million dollar decrease from current CD level of funding.

He attributes the decrease in funding primarily to reduced congressional appropriations, a revised allocation formula, and the fact the money will have to be shared with more cities and counties this coming year.

The county chairman said the new distribution formula shifts more funds to non-metropolitan areas. In addition, 53 more cities and counties now qualify for a share of the entitlement funds.

"While the decrease will definitely affect the levels of project activity for the upcoming year, Hagnauer indicated that the 1982-83 allocation is \$268,000 more than the original planning estimate," stated a county spokesman.

The CD program has been in existence for seven years, providing funds for housing rehabilitation loans and grants, water and sewer installation, surface drainage, parks and recreation, road and bridge construction and a variety of other capital improvement projects.

## Your Social Security

Q. I have been receiving SSI payments for about a year because I am disabled. Is it true that I will have Medicare coverage in another year? —S.P.

A. No. SSI payments regardless of how long you receive them will not qualify you for Medicare.

Those persons who are receiving Social Security disability payments become eligible for Medicare beginning with the 24th month of entitlement to benefits.

SSI recipients are covered by Medicaid (Medi-Cal in California).

## Full time ambulance service in Madison

By MICK STRANGE

The Madison City Council Tuesday night approved continuing operation of the Madison Volunteer Fire Department ambulance service on a 24-hour-a-day basis.

A report for March 3 through March 29 showed a total of 16 day shift calls and 17 night shift calls, for a total of 33 calls.

These calls serviced 21 Madison residents, 10 non-residents who needed an ambulance while in Madison, one coroner call and one "no transport" call.

Charges to residents were \$1,610 and to non-resident \$994, for a total of \$2,604 in charges.

The Madison Emergency Medical Technicians (EMTs) are guaranteed the state of Illinois for the day shift, which includes one call and then \$12.50 for every other call made.

For the trial period, the day shift pay for extra runs was \$307.50, the guaranteed day shift payroll was \$437.50 and the night shift payroll, \$325.00.

## CAKE WALK PROJECT

**SATURDAY AT VFW**  
A fund raising cake walk project will be held at 7 p.m. Saturday at the VFW Post, 1320 21st Street and Washington Avenue, to aid the Buddy Poppy fund campaign.

The Post and Auxiliary will hold election of officers at a meeting set for 7:30 p.m. on April 13. Installation ceremonies are planned for May 27 and the newly elected officers will assume their duties at the June 21 session.

A covered dish dinner will be served at 6 p.m. to be followed by the installation at 7 p.m. and dancing will begin at 9 p.m., according to the announcement.

## VANDALS GO ON

**ROCK-THROWING SPREE**  
A group of vandals, who are believed to be students at Granite City High School South, hurled rocks at several structures at the school on April 12 at 10:30 a.m. Wednesday.

Rev. Clayton Moorman of Faith Baptist Church, Faith and Myrtle avenues, said seven windows at the church were smashed by thrown rocks.

Windows also were broken with rocks at the homes of Lena Pinkston, 2805 Myrtle Ave., and Sam Brawley, 2803 Myrtle.

## NEW DEPARTMENT

President Roosevelt signed into law on Feb. 13, 1963, an act creating the Department of Commerce and Labor.

\$322, for a total payroll of \$1,067 during the month.

It was felt that it is too early to see how successful the collections for the services will be. Mayor Mike Sasyk noted that collections in other cities runs about 30 percent, however, he thinks the Madison residents will pay the ambulance bills much better.

Alderman Finance Chairman Thomas Gordon was asked by Mayor Sasyk to watch the collections for about 60 to 90 days and, if they are not coming in satisfactory, to suggest alternate methods of collecting.

"Granite City has been doing a real fine job with the ambulance service."

However, they are raising their rates to \$140 a call in Madison," Sasyk said. "I believe we will save the taxpayers between \$20,000 and \$25,000 a year with our own ambulance service on a full-time basis," he added.

Currently, the city is answering calls only in the corporate limits of Madison. However, it was discussed that this might be changed to include other areas, under specific contracts, in the future.

After City Clerk John Beloff read a letter from the Illinois Commerce Commission about a proposed general increase in electric and natural gas rates by Illinois Power Co., council members expressed their opposition and made negative comments aimed toward the upcoming ICC hearing on sought electric and gas rate increases.

"I think if the Illinois Commerce Commission were elected, rather than appointed by the governor, these increases by power companies would not be as easily coming."

"We need (to) and the citizens need to write their legislators know they are not only against the rate increases by Illinois Power, but that the commissioners on the ICC should be elected," Mayor Sasyk said.

Alderman Mike Sikora asked, "What is the governor doing about this?" and Mayor Sasyk replied, "He

hasn't taken any stand yet. This is an election year and it is about time he did."

He added, "There are a couple of bills in Springfield now being considered about election of the ICC members and we need to let everyone know we support this. Then, at least the commissioners would be answerable to the voters."

In other business, City Comptroller Al Rudski said, "I'd like to set up a meeting with the finance committee in the near future to discuss the IMRF (Illinois Municipal Retirement Fund). The fund is about out of money and we may need to have tax anticipation warrants, until tax revenue comes in."

The following bills were approved for construction of the David Connole Alpine Village Shopping Center:

Winfield Construction \$40,379 to be paid from Community Development Grant Funds; Levy Sign Co., \$6,000, and Illinois Power, \$236 to be paid from Industrial Revenue Bond funds.

The council approved requests of American Legion Post 307 and the VFW Post 204 to hold their respective "poppy sales," as long as the dates of the sales do not conflict with each other.

Thompson said that the retail-wholesale-distribution sector of the state economy makes up nearly 19 percent of the gross state product and involves nearly 25 percent of all jobs in Illinois. It also represents more than 18 percent of total payroll dollars, he said.

"Clearly this is an important segment of the Illinois economy. It's vital that state government provide the services and help needed for its maintenance and expansion," Thompson said.

### Hedging class for farm couples

The Madison County Farm Bureau Marketing Committee is hosting a basic hedging class for farm couples. Walter Bohn, Collinsville, chairman, says his committee has scheduled the class at the Farm Bureau auditorium in Edwardsville April 6, starting at 7:30 p.m.

Lana Taylor of the State Farm Bureau Commodity Division will conduct the class, Bohn said. She is well versed on the principles of hedging and, of equal importance, she has the ability to keep her presentations at the basic level.

She believes it is equally important for the farm worker to have a working knowledge of the principles of hedging as well as the need for a marketing program.

Profits are the farmer's goal and many facts of the marketing process enable him to hinder reaching this goal, she stated.

**Dance classes offered at 'Y'**

The Tri-City Area YMCA is offering a series of western dance and ballroom dance classes beginning tomorrow. Each of the different classes will run for five consecutive Friday nights.

Classes will be offered ballroom dance from 7 to 9 p.m., teaching basics of foxtrot, waltz, polka, rock and jitterbug.

ing, featuring such dances as the San Antonio Sir, Western Waltz, Texas Two Step, Cotton-Eyed Joe and more, will be offered at 8 p.m.

A class in Cowboy terbug - fast and furious dancing like the cowboys it, will be offered from 9 to p.m.

\$12 per person. Susan Grimes, a member of Bay Mavis Dancemasters, will serve as instructor for classes.

Interested persons may join by calling the YMCA at 876-7200.

## ZONING HEARING

The Madison County Zoning Board of Appeals will hold an on-site public hearing at 11 a.m. on Tuesday, April 7, at Lakeview Drive, near Pontoon Beach, where the National Bank of Commerce, Gaye Flood and S. Andrews are requesting a special use permit to place a mobile home for up to two years. The property is in Chouteau Township and is zoned R-4 for single-family residential use.

## No new assessments plans says Tax Assessor Cruse

Granite City Township Tax Assessor Von Dee Cruse said Friday that he and his field inspectors are not conducting a reassessment campaign, despite increased activity in field visits.

Cruse said some residents are concerned that a new city-wide property reassessment survey is being conducted after spotting field inspectors photographing Granite City homes. What field inspectors actually are doing is visiting sites where building permits have been taken out.

The assessor said it is the policy of his office to visit sites where building permits have been taken out through the Granite City inspection office.

Most improvements are small and would not affect assessments, but without viewing the sites,

an accurate statement on the extent of the improvements cannot be obtained.

Cruse said some residents underestimate the value of the improvements on their building permits to avoid any adjustment in their assessment. Other residents overestimate the value of the improvements, he said.

Most improvements will not change the value of a homeowner's property, with the exception of additions, which change the square footage of the property, such as room additions to homes, said Cruse.

Some building permits could not be investigated during the severe weather conditions, explaining the increase in building checks at present, he concluded.

### NAMED IN 3 CHARGES

Harold Milton, 17, of 614 Washington Ave., Venice, was charged with leaving the scene of a collision at 20th and State streets last week, improper backing, and disobeying a stop sign at the intersection. There was damage to the left front of his northbound car and the right front of the eastbound auto of Meredith Fassold, 2026 Grand Ave.

### PROPERTY DAMAGED

Stanley E. Busby, 26, Cahokia, was arrested during the weekend for property damage at the Foster residence, 2018 E. 20th St. It was alleged he broke glass in a door of the home and damaged the windshield of an auto. He was released on \$52 bond.

**HONORED.** Members of the Roubina Chapter of the Armenian Relief Society were accorded honors for 50 years of service to the organization, at the 72nd anniversary celebration dinner party. After services at St. Gregory Armenian Apostolic Church, members gathered at the Granite City Township Hall for a 1 o'clock dinner. From left, Nevarte Hagopain, Haigianous Parsaghiian and Marguerite Manogian.

### ARREST IN MADISON

Madison police charged Harvey E. Broyles, 28, of 3017 Denver St. during the weekend with driving under the influence of alcohol, disobeying a stoplight while northbound at 12th Street and Madison Avenue, and careless driving in which his auto hit lane dividers in the 800 and 1100 blocks of Madison Avenue. He was arrested on 19th Street near Madison Avenue.

### STORED TOOLS TAKEN

A burglar broke a lock and took items worth \$360 from Gilbert Carvaz's storage room in a building at 945 Niedringhaus Ave. Missing are fittings, stems and valves worth \$80, electrical supplies valued at \$70, plumbing supplies worth \$60, two pipe wrenches valued at \$45 and \$40, two ladder jacks worth a total of \$40 and 25 ft tubes of rubber seals.

**STUDYING FOR FINALS.** Senior Mark Bozif of Granite City finds a quiet table in Lovejoy Library at Southern Illinois University at Edwardsville to study for final exams in computer science and mathematics. Students had a week-long spring vacation before returning to spring quarter classes March 29.

## Amvets Auxiliary sponsors poster-essay contest

The Granite City Board of Education has granted permission to Amvets Auxiliary Post 51 to sponsor its annual poster and essay contest at each of the local schools, according to Mrs. Betty Wilkins, Americanism chairman of the auxiliary.

"My Home, America" is the theme for this year's essay competition which is open to students in the sixth grade level only.

Contest rules for the essay segment are—the composition must be 200 to 250 words in length; using the above theme. Any entry not following this rule will be immediately disqualified, Mrs. Wilkins noted.

Also the essay must be handwritten in ink to qualify and judging will be based on literary construction, originality, patriotic inspiration and neatness giving 25 points for each, she added.

The poster project is for students in the fifth grade only and rules are—the poster must not be rolled; size of poster must be at least 20x22 inches, not to exceed 24x30 inches, and no other size will be accepted.

No chalk may be used, only paints or crayons; it must be a drawing, stencils or cut outs from magazines

will not be accepted; each entry must have an explanation done in ink attached to the back of the poster of 25 words or less using the theme, My Home, America. Judging will be based on artistic ability, originality, patriotic inspiration and neatness giving 25 points for each.

Other information requested and must be completed includes: name of child, address and telephone number; parents name, address and telephone number if different than that of the child; school presently attending; teachers name and principals name; age of child.

Deadline for entries is April 20 and they will be picked up at the school by contacting Mrs. Wilkins at 877-8207 or Auxiliary at 877-8676.

Each first place winner will receive a \$50 U.S. Savings Bond and those who place second and third will receive certificates to Buskin, Robbins, in both contests. The first place entries will be forwarded to the Department of Illinois Amvets Auxiliary state convention in June for selection of a state winner, the chairman explained.

# 350 attend Bridal Fair '82 at Township Hall

A model at the Bridal Fair '82 presented at the Granite City Township Hall, on left, is wearing a formal lace wedding gown designed with a fitted bodice, a high standup collar, full bishop sleeves, and A-line skirt is escorted by a young man wearing the latest attire in tuxedos. The waistline jacket features the traditional long tails in the back and is complemented with a ruffled shirt.

Kathi McDonald, a St. Louis television personality, on left, is commenting on bridal fashions worn by three local models. The gown, second from left, is fashioned with a sweetheart neckline, sheer dress style lace sleeves and a semi full skirt which extends into a cathedral train. A shirtwaist style full length dress, second from right, is fashioned with a Victorian neckline, long sleeves cuffed with lace edged bands, and a slightly full skirt. The third gown on far right, has a lace border on the hemline and chapel train. Sheer sleeves enhanced with lace cuffs, are set into the molded bodice created with a high lace collar.

## Chapter KU hosts dinner

Chapter KU, P.E.O. Sisterhood, hosted its annual BIL dinner party on Saturday evening at the Good Times Diner Theatre. Members and their spouses also attended a production of "Come Blow Your Horn."

"Plans for the social event were completed at a meeting hosted by Mrs. Mary Mullens, 2887 Waterman Ave., earlier in the month."

President Joanne Kraus presided over the business segment and announced forthcoming events of interest to the members. The P.E.O. Metro-East Roundtable will hold a joint Founder's Day observance on April 17 at the First United Methodist Church in Collinsville, she noted.

Mrs. Kraus was named as delegate to the Illinois State Convention set for June 4 to June 6, in Chicago. Ruth Ann Baretts will serve as alternate delegate.

An installation ceremony for officers was held for Mrs. Kraus, president; Mrs. Bartels, vice-president; Mrs. Mary Dame, recording secretary; Mrs. Eunice Witter, corresponding secretary; Mary Robinson, treasurer; Bonnie Loftus, chaplain and Jean Maxwell, guard.

After the session a dessert course was served by the hostesses to those named and to Jo Ann Burck, Fay Carlisle, Hilda Davis, Barbara Houston, Bette Rea and Beth Spengler.

## Magic show set Saturday, April 3

Local magician, John W. Apperson, will be headlining an all star cast of magicians, illusionists, escape artist, and manipulators, during family entertainment magic show, at 8 p.m. Saturday, April 3, at the Community Christian Center, 2801 Marshall Ave.

Co-starring with Apperson will be Virginia Apperson, Harry Monti, O'Down and Sandra, George Van Dyke, James Holmes, and Greg Kobara.

Donations of \$2.50 per person and tickets are available at the Community Christian Center, the Rev. Jeff Smith said.

Pay is ranked fifth. It may be hard to believe, but a recent nationwide survey showed that good pay ranks fifth in importance to workers — behind interesting work, full appreciation of work done, a feeling of being in on things, and job security.

## St. Bartholomew Holy Week events

Holy Week and Easter will begin at St. Bartholomew's Episcopal Church on Sunday, April 4. The Sunday of the Passion, when Palm branches will be blessed and distributed during the service. The major feature of the service is the reading of the passion according to St. Mark and the celebration of the Holy Communion.

Mrs. Kevin Nicol will present as special music "The Golden Rule" by Ewing, Love Divine. All Love

Excelling, and the Palm Sunday Theme from Judas Maccabeus, by G. F. Handel. On Thursday, April 8, Maundy Thursday the Holy Eucharist will be celebrated at 6:30 and the Watch Before the Blessed Sacrament from 7:30 to 10:30 p.m. Friday, April 9, Good Friday, the Holy Liturgy will be celebrated at 6:30 p.m. and the Holy Communion will follow. Mrs. Nicol will present, Procession to Calvary by Sir John Stainer

(from the Crucifixion). Come Sweet Repose by J. S. Bach, and the Alto Aria from the Passion according to St. Matthew, by J. S. Bach.

On Holy Saturday, April 10, Easter confessions will be heard from 3 p.m. to 4:15 p.m. and at any time by appointment. The Lighting of the New Fire and the renewal of baptismal vows will be held at 7 p.m.

Easter Day, April 11, the Holy Eucharist will be celebrated at 7:15 a.m. and again at 11 a.m. Mrs. Nicol will present as special music, Come Ye Faithful Raise the Strain, by Sullivan, Awake Thou Wintery Earth, an old Dutch carol, I Know That My Redeemer Liveth (Messiah) by G. F. Handel, and the Hallelujah Chorus (Messiah) by G. F. Handel.

Easter communions will be taken to the sick and shut-ins by appointment during Easter week. Call 876-7245 or 876-0097, the Rev. William Lear, announced.

## Local students in St. Louis musical

Three Granite City students of St. Elizabeth Academy in St. Louis, are among the cast of Finian's Rainbow, the singing musical to be staged by the school, this weekend.

Participating in the performance will be Rhonda Hilker, a senior, Sandy Burns, a sophomore, and Michele Loftus, a freshman. Rhonda and Sandy are in the singing chorus and Rhonda also will sing a solo, "We're To the Rainbow."

Michelle is in the dancing chorus. Mrs. Eunice Seaman of Granite City, is the voice teacher for Miss Hilker, Miss Burns studies with Sister Beatrice Marie Ketterer, and Michele Loftus is enrolled in the Salem School of Dance in Granite City.

The performance featuring 10 students, will be performed on Friday, Saturday and Sunday, April 2, 3, and 4, at 8 p.m. at the school located at 3401 Arsenal St., St. Louis.

Produced and directed by Sister Ketterer and Phillip Wells, the show is open to the public.

## Potluck dinner attracts 39

Thirty-nine members attended a potluck luncheon on Thursday, hosted by the More Merrier Senior Citizen Club, at the Granite City Township Hall.

Mrs. Ruby Corbett led the group in prayer and pledge to the flag.

The group were reminded of the reception on April 3 for Harold Brown at the township hall.

Those observing birthday at the meeting were Clara Barney, Pauline Cox, Eva Durban and Eunice Wurtz. Prize winners in the games were Evelyn Morgan and Pauline Cox and Lillian Gregory received the door prize.

The next business meeting will be held on April 1 at 1:30 p.m. at the township hall, it was announced.

## NEW ENCAMPMENT AT FORT DE CHARTRES

Last month, the French militia of St. Anne's parish held an encampment at Fort de Chartres State Historic Site. This Saturday and Sunday, April 3 and 4, the rival, kil-clad 42nd Royal Highland Regiment will arrive to hold maneuvers. The colorfully dressed group seeks to capture not only the appearance but the spirit of the Scottish unit that took command of Fort de Chartres in 1765.

## Forbes, Emde win tied precinct races

McWell M. Forbes is the new Republican committeeman in Granite City Precinct 24 and Walter Emde was re-elected as GOP committeeman in GC 33, Madison County Clerk Evelyn M. Bowles said last week.

After the official canvass showed last week that Forbes tied George Slattery 19-19 and Emde tied Neal Kelso 11-11, Slattery and Kelso conceded the offices without requesting selection by lot.

Nelson Hagauer, chairman of the Madison County Board, gained re-election in the March 16 primary as Democratic committeeman of GC 28, obtaining 198 votes to 80 for Raymond McGee.

Dick Allen was re-elected as GC 17 Democratic committeeman with 122 votes to 21 for Edward Fitzhenry Jr. In Chouteau Township Seven Democratic race, Barbara Overton was victorious 64 to 62 over the incumbent committeeman, Thomas Johnson. The unofficial election-night tally had shown her winning 62 to 59.

Democratic Committeeman Edward Brandes was re-elected in Venice Township Precinct Ten, receiving 24 votes.

In his re-election as GC 12 Republican committeeman, Dale G. Hyle garnered 11 votes.

With two new committeemen elected in GC 23, Democrat John "Jeff" Worthen totaled 113 and Republican Janet B. Wilson garnered eight votes.

Votes numbering 96 were cast as Democrat Jerome Juda was re-elected in GC 24. Nameless Six Democratic balloting saw Jerry Adams gain re-election with 112 votes. In Nameless Seven, Democrat Frank Mehelec was re-elected with 154 votes.

Re-elected in Chouteau Two, Democrat Al Doerr received 121 votes. All other committeemen totals in Quad-City area precincts were as reported on Page 20 of the March 18 Press-Record.

Election as a com-

mitteeman by write-in votes is possible but is not automatic. Potential winners have 30 days after the canvass to decide whether to accept the election result and to formally qualify for it.

Refreshments were served by the hostess Roberta Gekke and Eunice Oros to, Alberta Rongey, Maxine Carson, Dorothy Gervoff, Helen Gages, Eunice Oros, Dorothy Bruce, Gladys Burgess, Sophia Lasky, Roberta Gekke, Josephine Garvinski, Sister Mary Marce, and one visitor Marjorie Finley.

## Easter drama at Church of God

A dramatic musical presentation involving 35 members of the congregation of the Church of God, 1205 West Pontoon Road, will be given Friday, Saturday and Sunday, April 2 to the 4, at the church, according to the pastor, the Rev. O. J. Cloninger.

Those participating in the performance will be in costume and will be supported with music, singing and video and sound effects.

The program will be staged at 7 p.m. on Friday and Saturday, and will be repeated on Sunday morning at 11 o'clock.

A nursery will be provided and the public is invited to attend the minister added.

## St. John Lutheran to confirm 12

Twelve young people will be confirmed in Christian faith Palm Sunday, at 10:30 a.m. at St. John Lutheran Church, St. Clair and Dale avenues. They include: Tracie Boulich, Shannon Marie Clark, Jeffrey Alan Criley, Katherine Diane Daniels, Cheryl Renea French, Serena Leann Futrell, Ann Michelle Hyden, Angel Marie Konuch, Michael John Joseph Konuch, Michael David Kopschak, Aaron Mikulonis, and Robyn Renea Smith.

In preparation for the confirmation ceremony, members of the class underwent an examination of their knowledge of Christian doctrine at a midweek Lenten worship service.

Conducting the examination was the congregation's pastor, the Rev. Samuel Boda, assisted by Seminarian Joe Judge.

On Palm Sunday, members of the class will enter the church sanctuary in a procession, carrying palm branches and worshippers present will receive small palm-size crosses, cut from palm leaves. The class will be robed in white, reminiscent of the first Palm Sunday.

Each class member will then receive a copy of the Revised Standard Version of the Bible as a gift from the congregation, and will also receive a confirmation certificate.

Members of the congregation will also be invited to rise to be "re-confirmed" in their Christian faith. Class pictures will follow, in the

chancel, after the recessional.

The women of the Church Choir will sing Bach's "Rejoice, Ye Pure in Heart," with Mrs. June Barton, of St. Louis, at the organ.

The confirmation class will receive its first communion experience on Maundy (Holy) Thursday, at 7 p.m., robed in white. All communicant members of the church will also be invited to participate, Rev. Boda added.

## Third Baptist Easter cantata

An Easter cantata entitled, "Joy Comes in The Morning" by David Danner will be presented at Third Baptist Church, 3601 Grand Ave., on Saturday, April 3 at 7:30 p.m. and Sunday, April 4, at 8:30 p.m.

The performance will be by the Sanctuary Choir directed by Carl Sheppard, interim music minister and includes both drama and music in relation to the week preceding the resurrection.

Other plans for the congregation includes the forthcoming "Encounter With the Cross" beginning with the Easter sunrise worship at 7 a.m. followed by a breakfast at 8 a.m. on Sunday, April 11.

This program will lead into a special revival emphasis on Sunday, April 11, at 6:30 p.m. and April 12 to the 14th at 7 p.m., led by the Rev. Jim Donahue, host pastor.

## Class donates to Easter offering

The Harmony Class of the Niedringhaus United Methodist Church met in Wesley Hall of the church with Jamie and Evelyn Hamrick and Fred and Maxene Hacke as hosts.

Mrs. Edna Stiltch, president, opened the meeting with a prayer. Maxene Hacke gave the devotion, "Streams in The Desert" by Mrs. Charles E. Cowman.

The class agreed to purchase an Easter lily, in honor of deceased class members, and make a cash donation to the church as an Easter offering.

After the business meeting Jamie Hamrick gave some interesting excerpts from the diary of his military career.

Refreshments were served to the following, Mr. and Mrs. Calvin Compton, Mr. and Mrs. Cleveland Cox, Mr. and Mrs. Waldo Frohardt, Mr. and Mrs. Fred Hacke, Mr. and Mrs. Jamie Hamrick, Mr. and Mrs. Homer Huber, Mr. and Mrs. Harold Lynn, Mr. and Mrs. Edgar Paddeck, Mr. and Mrs. Gus Prengel, Mr. and Mrs. Chas. Reimers, Mr. and Mrs. Fred Stiltch, Mr. and Mrs. Carl Thomas, Mr. and Mrs. Chas. Young, Harold Schnell, Ida Carass, Alice Cruise, Fern Hahn, Bessie Milton and Gladys Poitillo.

## CONDUCT CHARGE

Michael G. Rotes, 16, of 2012 Edgewood was charged with disorderly conduct at early this week after allegedly throwing rocks at an arcade business at 3609 Namecki Road. He had been escorted out of the establishment earlier that night.

## New proposal clarifies billing for out-of-city ambulance calls

By GEORGEANN MCGEE of the Press-Record

A new ambulance agreement to provide services to Quad-City area residents outside the Granite City limits is expected not only to raise the basic call fee, but to change some sore points in the current arrangement.

Among the changes expected to come from the forthcoming agreement are:

—Relieving surrounding cities and townships from ambulance run costs for their own residents who need the service while within the boundaries of Granite City, which provides the ambulances and staff.

—Making those same cities and townships financially responsible for all who need ambulance service within their township and city limits. This is expected to include non-

residents requiring ambulance service from those areas.

—Raising out-of-town fees from \$90 to \$125 and raising the mileage cost from \$1 to \$2 per mile.

—Charging a monthly "retainer fee" to cities and townships for the privilege of participating in the Granite City ambulance service.

The new agreement now is being reviewed by the Granite City legal staff and could be revised before it reaches the council floor.

Granite City ambulance committee Chairman Sam Whitmer said he will call for a special caucus to be held April 20 to consider the new agreement and also to consider raising local rates.

Both Chairman Whitmer and Alderman Carl Kittel,

ambulance committee member, said they agree with the idea of each area paying for anyone needing ambulances within their boundaries. "I think it's going to help Granite City," said Whitmer.

Chouteau Township Supervisor Walter "Dick" Sparks has opposed paying ambulance bills for his township's residents needing ambulance assistance in Granite City.

He also has been unhappy that Chouteau Township residents who become ill or injured while in Granite City and call an ambulance are charged for mileage based on their home addresses.

Sparks, however, does not totally agree with the new proposal. He feels his township should only be responsible for the emergency pickup of

residents residing in Chouteau Township and the township should not be held responsible for non-residents needing assistance there.

Mayor Paul Schuler, who attended the third ambulance rate meeting along with Mayor Mike Sasyk of Madison, told the gathering that, regardless of any disagreements, the committee had all the input it needed before writing the agreement. "Prepare the contract and send it out to each one. If they agree, fine. If they don't, that's the end of their service," said Schuler.

Granite City does intend to continue sending out bills and only turning over individual bills to townships and cities after the bills have remained unpaid for 30 days.

The new agreement could go into effect May 1.

## Tri-City Tabernacle to present drama

Sunday, April 4, at 7 p.m., Tri-City Park Tabernacle will present an illustrated sermon entitled "The Whip, Hammer and Cross." The sermon will depict the last days of Jesus' walk on earth, according to Rev. James Parks, pastor at the Tabernacle.

Rev. Parks is coordinating the drama with the assistance of Rev. Don Stratton, associate minister and music director at the church; his wife Lynda Stratton, and a cast of ten. The presentation includes musical productions and dialogue. It will be fully costumed.

The public is invited to attend free of charge, Rev. Parks added.

RANSACKS RESIDENCE Entering through a window, a burglar ransacked the home of Joyce Moran, 2680 Washington Ave., last week. A list of missing items is being compiled.

BABY CLOTHES TAKEN A large volume of baby clothing was stolen from the Kudelka family last week at the Highlander Laundry.

## School secretaries attend conference

A Spring Conference of Illinois Association of Educational Office Personnel (IAEOP) was held in Peoria and was attended by members of the Granite City Association of Educational Secretaries.

The three-day conference is held two times a year to unite educational office personnel from all over Illinois and to exchange ideas and to professionalize their standards. Emphasis is on awareness of the importance of education and the functions of good schools to the community.

The highlight of the conference was the installation of new officers of IAEOP. Installed was Mrs. Arlene Haldeman of Granite City, who was elected to serve a two-year term as director-south. Mrs. Haldeman has been employed in the Granite City School District for 14 years and a member of IAEOP for 12 of those years.

She was a charter member of the Granite City Association of Educational Secretaries.

Those in attendance from Granite City were Lucille Caban, Candy Kawula, Arlene Haldeman, Catherine Wittverongel, and the president of Granite City Association of Educational Secretaries, Dorothy Larnier.

Retired teachers to meet April 2

Unit III of the Madison County Retired Teachers will meet at "Rousties" Restaurant, Route 157, Collinsville on Friday, April 2, beginning at 11:30.

All retired teachers of the area are invited and urged to attend.

A representative of the Regional Superintendent of Schools Office will speak.

Anyone who has not already made reservations, may do so by contacting Mrs. James Gerstenacker, 116 James Drive, Troy, Ill. 62294, phone 687-4998 no later than today.

KENNETH WALTON, the son of former Granite City residents, Mr. and Mrs. Kenneth (Jeanette) Walton of New Athens, Ill., he has completed recruit training at the Naval Training Center at San Diego, Calif., and is taking advanced training. He is a 1980 graduate of Freeburg High School, and joined the Navy in December 1981.

## Special education evaluation planned

Madison County Special Education Region I, consisting of the Granite City, Madison and Venice school districts, will exchange evaluation teams with the Belleville area special education cooperative.

Special Education Director Steve Balen said the exchange "will allow us to be evaluated by public school rather than state employees." Such teams view facilities, instruction and supervision and submit recommendations for recognition of a school program.

To expedite the exchange of teams, released time has been granted for a speech therapist, a psychologist, a "self-contained" education specialist and a resource teacher, all from Granite City, a teacher of trainable

handicapped, from the Madison school system; and a pre-school teacher, from the Venice district. Funding will be received through Public Law 94-142.

In other matters affecting Special Education Region I, Gary Presley will return to his full-time duties for the 1982-83 school year. He is on an exploratory leave in 1981-82.

The Title I special education fund has been increased from \$51,112 to \$72,579, and the pre-school incentive grant account has been raised from \$11,420 to \$16,720.

Board policy statements governing special education are to be prepared and adopted by each of the three school districts. The statements will outline procedures for Region I to follow in implementing established and revised policies.

Director Balen has been given permission to proceed with plans to purchase an Apple II computer as part of next year's Law 94-142 project. Estimated cost is \$2,200.

Current activities expected to be enhanced by use of the computer are record storage, word processing, case management, budgeting and computerized psychological data.

Balen and Madison County Regional School Superintendent Harold E. Briggs attended an education meeting in Springfield on Monday.

A report by Supt. Briggs following an inspection of Granite City schools by his administrative assistant, William S. Freeman—voices congratulations to Supt. B. J. Davis and the Board of Education and staff for "the great number of improvements made in District Nine buildings within the last year."

"I'm sure that your

buildings will reflect the efforts exerted by offering savings in energy, savings in interior upkeep dollars, and many more pluses attributable to the vast number of improvements that have been made."

New one-year and five-year vocational education plans have been submitted to the Illinois Office of Education. The planning—coordinated by Thomas "C. Holloway, District Nine director of vocational and career education—encompasses the business department, home economics department, industrial education department, off-campus education, placement, and guidance at both Granite City high schools.

**DISURBANCE ARREST** William Redfern, 19, of 3100 E. 23rd St. was charged with disorderly conduct and a disturbance during the weekend at Plaza Billiards.

### Merger of railways expands local access to markets

When Granite City Steel participated in the merger with National Steel Corporation in 1971, it became part of the nation's fourth largest steelmaker. Now Norfolk and Western Railway, which has extensive operations here, has strengthened itself through a merger.

The net result is expected to be a further increase in the local area's already ideal transportation and shipping links.

Already first in net income within the rail industry and eighth in operating revenue, NW has joined with the Southern Railway, which is third in net income and seventh in revenue.

Norfolk Southern Corp.—the new holding company that will be formed as a result of the approval given March 25 by the Interstate Commerce Commission—will be first in net income and fourth in operating revenue.

The merger combines two railroads which already are quite similar to each other in many ways: miles of road, 7,803 (NW) and 10,657 (SR); miles of track, 14,831 and 16,125; locomotives owned, 1,372 and 1,430; freight cars owned, exclusive of leased, 57,140 and 74,109; employees, 22,067 and 20,894; assets, \$3,101 billion and \$3,450 billion; daily average of road freight trains, 420 and 616; and net income, \$291 million (NW) and \$212 million (SR).

Both of the railways currently serve Illinois, Indiana, Kentucky, North Carolina, Ohio and Virginia.

Norfolk and Western Railway Company also serves Iowa, Maryland, Michigan, Missouri, Nebraska, New York, Pennsylvania, West Virginia and Ontario, Canada. The Southern Railway System's service area includes Alabama, the District of Columbia, Florida, Georgia, Louisiana, Mississippi, South Carolina and Tennessee.

NW has been based in Roanoke, Va., and Southern in Washington, D.C. Norfolk Southern Corporation's office will be located in the Virginia National Bank Building in downtown Norfolk, Va.; that city's extensive transportation, communications and residential facilities, both railroads, serve Norfolk, housing

substantial freight traffic in and out of that city.

Single-system service will be provided by lines extending from Kansas City and the local metropolitan area, plus Chicago and Detroit, to New Orleans, Atlanta and Birmingham.

The two systems are regarded as fitting together neatly to create five new corridors of unified rail service.

These are the Allegheny (Virginia) Gateway route from the Midwest to Virginia and North Carolina; the Lynchburg (Va.) and Knoxville (Tenn.) Cutoff; the Mid-South Corridor from the Midwest to the South; the Kansas City Gateway route; and the Shenandoah Corridor from Hagerstown, Md., to Knoxville and Chattanooga, Tenn., and beyond.

President Robert B. Claytor and SR President Harold H. Hall said in a joint statement that the Interstate Commerce Commission, in its decision "approving our plan to affiliate NW and Southern under common control of a new holding company, has recognized the strong public benefits that will be created by our combination."

"We expect, as a single rail system, to provide even better service and market opportunities to shippers than either of us has been able to deliver separately, and we hope to gain additional traffic because of that better service."

Norfolk Southern represents the unification of what we think are the two best railroads in the United States. Together, they will create an 18,000-mile system spanning 21 states.

"The affiliation will enhance our efficiency, strength and ability to compete with trucks and barge lines throughout our territory. Our sales forces will be unified at the outset, and we will then proceed with the Virginia National Bank Building in downtown Norfolk, Va.; that city's extensive transportation, communications and residential facilities, both railroads, serve Norfolk, housing

### 'Sidewalk superintendents' at new lock, dam project

Ation Telegraph — Neighboring St. Louis has its arm and leg already securing another spectator magnet, the new Lock and Dam No. 26.

And the U.S. Army Corps of Engineers is going to see to it that the spectacle can be viewed by the public as such.

Glenn Petrina of the Corps told a group of civic leaders from the area March 25 about overlocks on both sides of the river, from which the public could view the spectacular accomplishments involved in controlling river levels to help commercial traffic.

The Illinois' side's overlook a roofed embankment to provide protection against the weather is under construction now, said Petrina, on the Mississippi side of the Wood River levee near the Illinois Power Corp. generating station facing the Missouri River mouth.

Access will be by a road built over the levee top.

The Missouri overlook to be constructed

the summer, will be located almost at the edge of the coterminous now protecting construction work on the dam. Completion of the Missouri side overlook in time for spectators to view continuing construction work on the dam is hoped for.

While the motor traffic access to the overlook's site on the Missouri side is not necessarily a convenient one, the Engineers plan a new road direct from U.S. 67.

Significant of the growing spirit of cooperation between city organizations in the area is the fact that announcements of the Corps' plans were made at a meeting of the Greater Alton and Twin Rivers Area Council of Commerce Joint Transportation Committee.

The engineers' plans for developing this new spectator magnet should be additional reason for further development of the Great River Route, which the Wood River Levee Bypass Highway is a portion.

### Wants U.S. to freeze 'COLA' for year

To the Editor:  
Sooner or later, it will dawn on members of Congress that the only workable strategy for reducing projected budget deficits is seriously attack the spending side of the equation.

In anxious and hopeful anticipation of this awakening, I would like to propose an action which would in a single stroke reduce the projected deficit for fiscal 1983 by \$20 billion or \$25 billion.

Congress should freeze for one year the automatic cost-of-living adjustments (COLAs) contained in more than 100 federal programs, including Social Security, veterans pensions and federal civilian and military retirement pensions.

I recognize that any proposal to change these programs is by nature the hottest of political potatoes, and subject to extremist demagoguery about throwing the nation's retirees out into the streets. Before the politicians beat up on the idea, let's take a dispassionate look at the facts:

1. The rapid growth of COLAs has been a major cause of runaway federal spending. From 1978 to 1981, these increases in benefits cost the American taxpayer \$69 billion. Over the next two years, they will cost \$47 billion.

2. Most federal COLAs compensate fully for increases in the Consumer Price Index (CPI). A measurement that has long been recognized as an overstatement of inflation.

By contrast, less than five percent of private pensions have automatic COLAs at all. And the average yield of federal bonds has gone up faster than wage increases.

3. In every year since 1970, Social Security benefit increases have gone up faster than wage increases.

Since 1978, benefits for Social Security and other programs have increased nearly twice as fast as after-tax wages.

In some cases, federal civilian and military COLAs have led to pensions for recent retirees that are actually higher than the incomes of the workers now holding those jobs.

4. The average after-tax pay package of persons 65 and older was \$4,450 in 1978, while that for the entire population was just \$3,412.

This doesn't include non-cash income such as Medicare and Medicaid benefits, nutritional and medical services, and housing services, and housing allowances, which large portions go to the elderly.

5. A one-year COLA freeze would do more than help workers catch up with the increases of retirees. Robert A. Myers, former chief actuary of the Social Security Administration, believes it would also solve the short-run financial problems of the Social Security system for up to 10 years.

The evidence is overwhelming that a one-shot freeze of the cost of living adjustments in Social Security and other programs is a reasonable measure that would not cause undue suffering among retirees.

No one is suggesting that any benefits be cut — only that we skip an increase just once. This would enable us not only to significantly cut the budget, but also to score further victories in our battle against inflation and high interest rates.

It would restore financial viability to Social Security and restore some fairness to a situation in which those who still work have been getting far smaller increases than those who no longer work.

At a time when thousands of workers are foregoing additional benefits and pay increases in order to keep their jobs, it is outrageous that millions of Americans don't

### 149 Quiet Valley homes annexed by sewer system

Today, the Special Service Area One sewer system hooked on the county system within two weeks, when homeowners have protected sewer lines from the intrusion of surface water, Futch said.

According to state law it is illegal to divert surface water, including downspouts, into a substantially state-financed system's lines because of the sand and other sediment which could damage the pumping machinery.

An increase in water flow in the lines would affect the payment the sewer system makes to Granite City for treatment of its wastewater, Futch added.

Some Quiet Valley residents have said they will file lawsuits to stop in-house inspections, as they feel they are being singled out by the inspections.

Rea told a sewer committee at a meeting last week that he is familiar with the area and has volunteered to join Futch in the inspection of the lines.

He said that Quiet Valley has a severe surface water problem is untrue.

The subdivision's lines

force agencies tell you how to drive — show them you already know how.

Needless time is spent by the police watching traffic and issuing tickets of all kinds, and caring for the dead and injured. Do you think the police like this kind of work?

Are we, as drivers, when we are out driving that we have to be watched?

If the majority of us don't start caring for the things we have to drive, we'll have the same mess generation after generation.

The ads should set an example for our kids, some of whom are out there driving. Driving is a privilege and should offer enjoyment, rather than tragedy. Let's all slow down, and God bless you.

AT 23RD-MADISON  
Ron Patterson, 2829 Warren Ave., told police 12:10 a.m. today he was walking across 23rd Street at Madison Avenue when a man jumped out of a station wagon, grabbed him around the neck and struck him several times in the face with his fist.

After the attack, the man got back in the vehicle and fled the scene. The assailant was charged with unlawful possession of a handgun, after school authorities alleged finding a handgun in the car.

CANNABIS ARREST  
A 15-year-old student at Granite City High School North was arrested at 11:45 a.m. Wednesday and charged with unlawful possession of cannabis, after school authorities alleged finding a marijuana cigarette in a pack of regular cigarettes in the youth's pocket. He was released to his parents on notice to appear.

### Big savings on school bus fuel

Diesel engines for motor vehicles—and computers for a wide range of uses—among the leading current topics, both in general throughout the nation and, in particular, on Granite City school agendas.

The Board of Education has purchased 30 computers costing \$24,900 from Kappel's Computers and has awarded a new three-year contract totaling \$5,232,320 to R. W. Harmon and Sons on the basis of low bids to specifications.

Harmon will supply diesel power for buses holding 35 or more passengers, and this is expected to greatly decrease the fuel costs that are borne by the school system.

Fuel savings of about \$24,000 may approximately offset a higher rate in the new contract. Assistant School Superintendent Frank Krass has estimated that the new contract will save the school system \$5,232,320 in fuel costs.

Buses in the 1980-81 school year traveled 304,236 miles and, at about four miles per gallon, consumed 85,074 gallons of gasoline.

It is believed that diesel buses will give seven to eight miles per gallon. Based on the same total number of miles driven, only 46,813 gallons of diesel fuel may be consumed.

Rustman Bus Co. bid \$3,331,476, which is slightly more than the Harmon bid, and Rustman did not offer diesel vehicles.

Daily charges by Harmon for the assistance program will be \$6,008 in 1982-83, \$6,197 in 1983-84 and \$6,414 in 1984-85.

In each year, it is projected that students will be transported on 177 days.

The school district in 1985-86 and 1986-87 has an option to renew the contract with a 9.8 percent increase over the previous year, and about the contractor's actual cost.

Charter costs over the next three years will total \$26,779—\$8,021 next year, \$8,023 the following year, and \$8,235 the third year.

Rustman bid \$26,492.

For the first six months of the current school year, with classes conducted on 107 days, student transportation of all kinds cost \$750,831.

The total includes \$454,331 for kindergarten through the twelfth grade, \$245,716 for special education, \$16,968 for vocational students, \$19,355 for high school athletics, \$2,483 for junior high athletics, \$6,131 for girls' athletics, \$2,868 for speech classes and \$1,852 for bands.

The 20 new computers will be distributed among the 18 schools, with two placed in the central office for administrative use, including warehouse supply inventories.

From school district funds will be \$8,440. The other \$26,450 will come from a Federal Title IV-B grant.

Supt. B. J. Davis said that computer kits, repair parts and training of two staff members will cost \$4,000.

"Once the \$4,000 has been invested, we will have

continuous availability of maintenance without additional costs other than parts, which can be purchased wholesale. Three individuals in the district have indicated they would be interested in obtaining this training.

"We envision that these individuals will be freed by substitutes when they are needed to do repair work on the computers."

Acting on bids, the Board of Education has purchased 1982-83 athletic equipment totaling \$28,610 from 27 companies. Bidding will be after July 1.

Specifications were sent to 51 athletic goods manufacturers and distributors, with 37 bids then submitted. The largest of the 27 awards is \$6,897 to Merkel's.

Science supply vendors were designated on the basis of competitive bids. Purchases will total \$9,023 from seven companies.

Read Instructional Systems will provide four transcription phonograph players at a total cost of \$800. Granite City Trust and Savings Bank will give information to senior students on the Illinois state student loan program.

The Alton City Circuit Parade Committee of Alton Temple Shriners will conduct a voluntary art contest for children in kindergarten through the eighth grade.

The American Cancer Society's Quad-City Unit will distribute envelopes related to its "send a mouse to college" fund-raising drive.

Board members indicated they want to encourage all groups not to foster competitiveness in contribution amounts among members of school classes.

For its summer recreation program, the Granite City Park District will use Logan, Nameoki, Niedringhaus, Webster and Wilson grade schools from 9 a.m. to 3 p.m. Monday through Friday for seven weeks.

Ball diamonds at South High, Coldridge, Grigsby and Prather junior highs, and Logan, Nameoki, Marvill, North baseball grade schools also will be used for the park recreation program, plus South vocal music rooms.

The Mitchell Athletic Club is to use the Mitchell grade school field for practice, and Marshall grade schools also will be used for the park recreation program, plus South vocal music rooms.

Specialized Services, a sheltered workshop serving the handicapped, will utilize the South track twice weekly from now through May 14 to prepare for the 1982 special Olympics.

District freestyle wrestling tournament competition will take place in a Granite City school gymnasium June 19, the location to be announced.

After a period of six weeks in which to study a resolution to make Granite City into a township, seven aldermen last night pleaded ignorance of the measure when it was submitted for final passage and, instead, tabled a motion to defer action until after the forthcoming city election on April 19; namely, until the first meeting of May. During the entire discussion of the resolution, which lasted the better part of three hours, numerous and weighty arguments in favor of one township were presented by the six proponents of the measure but not once were their statements contradicted or assailed by the opposition.

A campaign to raise \$650,000 by public subscription to complete a \$2,750,000 building and remodeling fund for St. Elizabeth Hospital was announced today by Sister M. Staniela, administrator. Plans for the hospital include construction of a new wing of sufficient beds to bring the hospital's capacity up to 200 beds. The new wing, and extensive remodeling of the present hospital, will create additional space for enlargement of overtaxed medical, surgical, maternity, x-ray and other facilities. A much larger parking area is to be provided.

The Madison County Board will be asked to take until mid-May to consider a proposal for a \$20 million residential-commercial-industrial area on a 772-acre tract in Chouteau and Edwardsville Townships. Mayor Mike Sasyk of Madison, one of the developers, told a meeting here this morning. The controversial project was to be considered by the County Board, April 28. Sasyk said he will request an extension to give the Madison County Drainage District an opportunity to conduct engineering studies on drainage.

# Spring House Tour May 2

Three of the six houses to be featured on the annual Spring House Tour, under the auspices of the Downtown Neighborhood Restoration Society, will include the homes of Mr. and Mrs. Bill Tindall, 2246 Delmar Ave., Mr. and Mrs. John Calaway, 2205 Delmar Ave., and Mr. and Mrs. John Bergschneider, 2327 Edison Ave.

Joann and Bill Tindall have resided in their house for three and a half years with their two small sons, Billy and Chris.

They have been busy during this time with several projects to restore the house to its original state including replacing and repairing the electrical wiring, plumbing and painting.

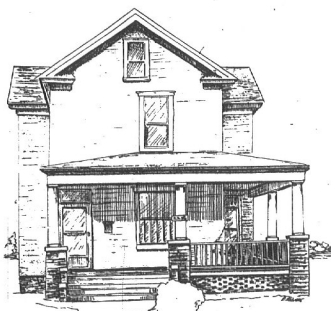

The house has two front doors, one opens directly into the foyer, accented with a wide stairway, popular in the late 1800's to early 1900's and the other door provides entrance to the dining room. There are four rooms and a full bathroom on the first floor and three bedrooms and bath on the second floor.

The owners used their talents of workmanship to apply new coats of paint to the old cabinets in the kitchen and replace the countertops with new ones to modernize the overall appearance.

A front porch reminiscent of an earlier era extends across the front of the house and curves to one side and was retained as a favorite family gathering place, during the warm weather. All the woodwork in the family has been stripped of its old varnish and paint and refinished to exhibit its natural beauty and wallpaper in the kitchen, bathroom and dining rooms has been removed to repair the plaster walls, and replace with new and cheerful wall coverings.

A focal point in the bathroom on the lower floor is a barn siding taken from the barn owned by the grandfather of Mr. Tindall.

The most modern additions are central air conditioning and insulation blown into the walls, replacement of broken windows and installation new storm windows.

2246 Delmar Avenue

A major job was removing the asphalt siding on the outside of the house and discovering redwood clapboard underneath.

Mrs. Tindall is well groomed in the renovation of older homes as her parents, Joe and Edith Mitzel, as members of the DNRS, had their home on a tour a few years ago. They now reside in San Diego, Calif.

Restoring and furnishing a house to depict its early prestigious state is the goal of John and Sharon Calaway as they continue to work on their home at 2205 Delmar Ave., which was formerly owned by his grandparents, Carl and Emma Wolf. Collecting and preserving antique furniture for each room of the house is more than a hobby as the couple have retained as much of the original house as possible. To properly display and use the furnishings, they have created a setting of early design wallpaper upstairs which dates from the thirties and complemented the decor with carpeting purchased in the 1940's.

They have managed to secure light fixtures from other older homes in the area that are usable and completes the blending of yesteryear with current decorating style, and have cleaned and polished the

2327 Edison Avenue

stained glass windows, original accents of the dwelling.

During the revival period walls were removed to eliminate a pantry and enlarge the kitchen area and all electrical wiring has been replaced.

John and Val Bergschneider are the fourth owners of the house at 2327 Edison Ave., an eight room

home built in 1908.

When they moved in they could point on the walls and make the lights flicker. The plaster was not falling but was badly cracked, the plumbing was in bad condition, and one pillar on the front porch was bearing its full load.

The Bergschneiders were not discouraged with this state and proceeded to rid the

interior of all plaster and debris then started over. Wiring was replaced as was the antiquated plumbing.

The old porch was removed and a new one built but during this process Mr. Bergschneider recycled the bricks taken from the porch and used them to build a fireplace in the living room. Decorative wainscoting in the dining room was

## Educator medal for former GC resident

Clarice (Dameron) Lichtenberg, a former Granite City resident and third grade teacher at Harris School in Madison, will receive the American Educator Medal in ceremonies Friday in Phoenix, Ariz.

Mrs. Lichtenberg is the only teacher in Arizona to be awarded this year's prestigious medal by the Freedoms Foundation of Valley Forge, Pa., for "outstanding accomplish-

ment in helping to achieve a better understanding of the American way of life."

Ten other patriotic organizations will be involved in Friday's ceremonies at the Camelback Inn in Phoenix, according to Shirley Ann (Dameron) Schwendemann of Granite City, the award winner's sister.

"She has been involved in patriotic activities all of her life," Mrs. Schwendemann said, speaking of her sister.

"She believes she has been truly blessed by Almighty God to have been born and reared in this great country."

Last year, Mrs. Lichtenberg was among a delegation that met with President Ronald Reagan at the White House for the first National Patriotism Week activities.

She is a charter member of the newly formed Cottonwood Grove Chapter, Daughters of the American Revolution, of which Mrs. Schwendemann is organizing agent.

A great-grandfather of the two women, four times removed, signed a petition in favor of American independence which almost cost him his life, the local resident noted.

The Salute America Foundation recently appointed Mrs. Lichtenberg director of REST (Research, Educational, Scientific, Technical). Her theme continues to be—A Better America Begins With Me.

The award winner is employed as a communications specialist in

Phoenix, where she resides with her husband, Larry, a scientist with Motorola, and their daughter, Julia-Isabel. The latter is president of the student body at Glendale Community College.

### First child for Kevin Claypools

Mr. and Mrs. Kevin Claypool of Madison became the parents of their first child, a son, born March 23 at Barnes Hospital, St. Louis.

The infant has been named Kevin Keith Jr. He weighed six pounds, six ounces. The mother will be remembered as the former Donna Dennis, daughter of Mr. and Mrs. Roger Dennis of Dover, Tenn., formerly of Granite City.

Mr. and Mrs. Jim Riestler of Granite City are the paternal grandparents. Entering through a basement door, a burglar obtained a \$350 stereo receiver, amplifier and speakers last week at the residence of John Pierce, 2245 Delmar Ave.

## Kahok diamondmen shut out Steelers 4-0; now 1-4 on season

**AWAITING THE CALL.** Granite City North shortstop Carl Luehmann (second from left) and Collinsville's Steve Giacometto await the

call from the umpire during the second inning of the team's Wednesday game. The Kahoks won the game. Giacometto was out.

By ROGER KRAMER, of the Press-Record  
GRANITE CITY — So far this young season, both Collinsville's and Granite City North's baseball teams are headed in different directions than were expected.

Collinsville, which defeated Granite City North 4-0 Wednesday in a non-conference game, is 4-1 after the first week of the season, a record much better than Kahok coach Russ Keene had anticipated.

"We're doing much better than I thought we would," Keene said. "Some of our players from last year's team said we'd be lucky to finish .500 this year. (Steve) Blumner and (Kent) Vartanian were the only ones who played a lot last season, and everyone else wasn't that experienced."

The Steelers are 1-4 after Wednesday's loss. When the Steelers hitting has been strong, their pitching has faltered. Wednesday, just their opposite happened to the Steelers. The pitching was adequate, but the Steelers didn't get timely hits.

"I wish I knew what was wrong," Steelers coach Bud Siegemeyer said. "We got to get someone leading us at the plate. Once one does it, then it's contagious, but everyone's waiting for someone else to do it."

While the Steelers were waiting for

something to happen, Collinsville made things happen.

Matt Massa hit a single to open the game, and Blumner hit a double to right field to score Massa. Blumner scored on Brian Wandling's single, and the Kahoks led 2-0 after an inning.

In the third inning, Kent Vartanian hit a single and advanced to third on Blumner's double. Glenn Hefflin walked to load the bases, and Vartanian scored on Brad Mayes's grounder to Steelers third baseman Steve Trittschuh.

Collinsville scored again in the seventh inning. Brett Holten singled, and Blumner hit his third double of the day that advanced Holten to third. Holten scored on Hefflin's sacrifice fly to center field.

At first, the Steelers were hitting the ball, but they were hitting the ball to Kahok fielders at the wrong times.

In the first four innings, the Steelers had runners at second base. In all four innings, the runners stayed at second base because of the lack of timely hitting.

After the fourth inning, the Steelers did not get a hit. That made things easy for Kahok starting pitcher Tom Lewis. The Collinsville pitcher was supposed to go four innings, but ended up completing the game.

"He (Lewis) got better as the game

went on," Keene said. "He started pitching instead of throwing in the fifth inning. As long as his arm wasn't hurting, I was going to keep him in there."

Lewis struck out seven batters and walked five.

Siegemeyer acknowledged Lewis pitched a good game, but he was upset with the Steelers' hitting in the latter innings of the game.

"We hit the ball hard in the early innings, but we hit it right at them and we didn't get the hits when we needed them. After the fourth inning, we weren't aggressive at the plate. We weren't hitting the ball hard," Siegemeyer said.

Collinsville's good defense also stopped North from scoring. Massa, the Kahok's center fielder, caught two difficult fly balls by North's Kevin Hayes in the first inning and Scott Corey in the second inning. Vartanian made a diving catch in the sixth inning to rob Trittschuh of a hit.

Kevin Patterson, who replaced North starter Mike Sullivan in the third inning, held Collinsville to a run and five hits.

## Lady Red Devils sport strong, defensive infield

VENICE — Close games are most often decided by the quality of a team's pitching corps. Beyond that, an experienced infield is something that should be reckoned with.

This year the Lady Red Devils are light in the pitching area, said Venice softball coach Ken Perkins, but strong defensively, and in particular in the infield. All but one infielder returns from last year. That infielder was third baseman Diane West.

"Our strengths this year? That's hard to say," Perkins said quickly evaluating his team. "It won't be pitching. It could be hitting, but most probably it'll be our infield."

In contrast to the infield, the outfield will consist of a rotation of six freshmen. Those girls are Janice Bradley, Kim Bell, Angie Marchbanks, Brenda Berry, Tempest Williams and Teresa Petty.

The Venice hurlers this year will be Lisa Harmon, Darline Wigfall, Wanda Brown and Lola Virginia.

Miss Harmon will second as the team's shortstop when she's not tending to the pitching duties, and Miss Wigfall, Perkins said, will second as a utility infielder.

*"Our strengths this year? It won't be pitching. It could be hitting, but most probably it'll be our infield."*

**Ken Perkins**  
Venice softball coach

"Both Lisa and Darline are good athletes. We'll expect a lot from them. Lisa is just a super athlete. She's probably the best athlete on the team."

Catching this year for the Lady Red Devils will be Jackie Chatman. Cassandra White and Letitia Miller will be the Red Devils' ladies over at first base. Perkins said Miss Miller might pitch and play shortstop in addition to first base.

At second base for the Red Devils this year will be Lynette Crawford and Rosie Harmon.

Miss Harmon will be at shortstop when she's not pitching. Tracey Kixear will tend to those duties when Miss Harmon is on the mound. And at third

base, Demetria Walker will replace Diane West, last year's only graduating infielder.

"Our main goal this year is to win the conference and aim for the districts," Perkins said. This is Venice's first year in the Illinois Gateway conference. "We might not get that far, but we'll have fun trying. Don't get me wrong. We've got some good players with some experience," Perkins said.

The Red Devils will have the opportunity to find out just how good they are April 13 when they open their season against Marquette. Their first home game is against Worn April 15. All games begin at 4 p.m.

**1982 TROJANETTES TEAM.** Members of the Trojanette softball team are (beginning front left) Tracy Champion, Missy Scrum, Tosha Carter, Stephanie Walker, Kim Stanley and Darlene Heard. In the second row are Kim Terrell, Teri Robertson, Lisa Prothro, Nancy

Mikolazuk, Angela Jenkins, Kim Goes and Gayla Stone. In the back row are manager Carol Latham, Phyllis Shipp, Sandra Noud, Kathy Zabotka, Angelette Dandridge, Ruthie Jacks, Lori Prothro, Elizabeth Reed, manager Kathy Bargiel and coach Carol Stearns.

## Trojanette first softball team has talent, looks promising

MADISON — According to Madison's softball coach, Carol Stearns, the Trojanette's first season could set a precedent for those to follow.

Unlike many first season sports that lack in talent and in athletes, the Trojanettes are sporting a full roster.

"Our strong points are our depth. We've got every position covered by at least two girls. I'm optimistic," Mrs. Stearns said.

"I really didn't know what to expect, with this being our first season. It's encouraging to see this much interest."

Mrs. Stearns has been interested in women's softball for several years. A member of the American Softball Association, she has played with women's teams in Edwardsville, Belleville and St. Louis.

One problem facing a first year team is that all team members are rookies. She said she's concerned about her new team making the hitting transition from slow-pitch to fast-pitch softball.

"Most of these girls have played slow-pitch softball in summer leagues. For the most part, fast-pitch softball is new to them."

*"I really didn't know what to expect, with this being our first season. It's encouraging to see this much interest."*

**Carol Stearns**  
Trojanette softball coach

On the other hand, pitching is not expected to be a problem for the Trojanettes.

Three right-handed hurlers, Kim Goes, Angelette Dandridge and Stephanie Walker, and southpaw Ruth Jacks, will handle the pitching duties.

Nancy Mikolazuk and Kathy Zabotka will share the catching duties for the Trojanettes this season.

At first base, Stearns will play Ruth Jacks and Karen Voleksi. Miss Voleksi will cover the corner when Miss Jacks is pitching.

Felicia Prothro and Kim Stanley will

jointly cover second base.

Miss Mikolazuk will move from her catching position to play shortstop when Miss Walker pitches.

At the third base corner, Mrs. Stearns will rotate Miss Walker, Miss Mikolazuk or Angela Jenkins. The Trojanette outfield will consist of Tracey Champion, Laurie Prothro and Teresa Robertson. Miss Dandridge will play the outfield when she's not pitching.

The Trojanettes will open their season against Assumption on April 15th.

**'Bowl your way to Europe' competition this weekend**

The bowling season comes to a climatic end this weekend at Granite City's Tri-Mor Bowl as 72 bowlers will compete in the Brunswick sponsored "Bowl your way to Europe" roll off.

During the course of the year six persons each month were selected, by virtue of

the amount of pins they bowled over their average, to compete in the nationally sponsored tournament.

This Saturday, beginning at 3 p.m., 36 men and 36 women will compete for the opportunity to advance to the national tournament to be held in May in Washington

D.C. Only one man and one woman will advance to the national tournament.

Winners of the national tournament will win an all expense paid vacation to Europe for a week.

Del Hamilton of Granite City won the Brunswick tournament in 1978.

For more information, or to get into a league to compete for the tournament next year, contact Lola Barker or Tom Kalb at 451-7800.

**PLAY AT SECOND.** Dave Modrusic of Granite City South leaps to avoid the slide of a Roxana base runner during the Warriors' 6-6 tie with Roxana in Roxana Monday.

## Warriors, Shells 6-6 tie; reminder of last year

By ROGER KRAMER  
of the Press-Record

ROXANA — John Modica, Granite City South's baseball coach, said the Warriors' 6-6 tie with Roxana here Monday reminded him of some of last season's games.

The game that came into his mind most clearly was a 10-10 tie with Wood River last year. South had managed to take a comfortable lead but through their own mistakes had allowed Wood River to come back for the tie.

The same thing happened with the Shells. The Warriors had a 5-3 at one point in Monday's game but had to settle with a tie because of their own mistakes.

"It looks like we're doing the same things we did last year," Modica said. "We allowed three unearned runs and had base running mistakes in two innings."

South built up its lead over three innings. In the first inning, Rick Daily hit a single and scored on John Linhart's triple to right field.

Roxana took the brief lead with a home run by Brian Pohlman and a single by Duane Roscrans which scored Barry Badenbach.

South got its 5-3 margin in the third inning. Tom Newton opened the inning with a single, Scott Greathouse was hit by a pitch, and Joe Schmeke walked to load the bases. Newton scored on a passed ball, Greathouse scored on an error, and Schmeke scored on a wild pitch.

Mistakes were responsible for Roxana tying the game in the fourth inning. Brad Haug reached first on an error with two out. A double advanced Haug, and Loren Shroat hit a two-run single. Shroat scored on another error, and the game was tied.

*"It looks like we're doing the same things we did last year. We allowed three unearned runs and had base running mistakes in two innings."*

**John Modica**  
Warrior baseball coach

South took the lead again when Dave Modrusic walked and scored on Schmeke's single. However, South's second costly error shortly afterwards had cost it the game.

Greathouse, who had singled before Schmeke, was on third, and Daily had struck out, but the catcher had dropped the third strike. Greathouse, anticipating he would throw to first, sprinted home, but he was caught in a rundown. Schmeke had started toward third, and he was tagged out before Greathouse was.

South's other base running error came in the fourth when Greathouse

was called out for interference with the second baseman in the fourth inning. Craig Short tied the game in the seventh for Roxana when he scored on Lon Freezeland's single.

Granite South will host Quincy in an 11 a.m. double-header Saturday.

## Althoff defeats Lady Steelers in North's season opener 8-2

By TERESA GULL  
of the Press-Record

GRANITE CITY — Mental defensive errors caused the Granite City North softball team to drop its season opener against Belleville Althoff Monday afternoon, 8-2.

Still, head coach Gus Lignoul saw some glimmers of hope for the team. With only one senior in the starting lineup, he realizes the team is short on game experience.

"Hopefully, by making those mistakes they will learn by them," Lignoul said. "They know they made mistakes. They will overcome them with experience and game pressures."

Going into the game, North had set three goals. One was for the pitcher to throw strikes. Lignoul felt sophomore hurler Monica Fanning did that well. Their second goal was to use the bunt to get on base and advance the runners against Althoff's tough, fast pitcher. Once again, Lignoul was pleased with the results.

North's inability to accomplish their third goal, however, caused them to lose the ballgame. Defensively, Lignoul told the girls to always take the sure out.

"When they didn't do that, Althoff scored," Lignoul said. "Throwing the ball to the wrong base — that's what beat us."

A prime example of North's defensive mental lapses was the top of the fourth inning. Althoff had runners on first and second base with one out. They had already scored one run in the inning to tie the game at two apiece.

The next batter bunted the ball down the third base line. Instead of taking the sure out at first base, however, the throw went to third base. Nobody was out at first base, and Althoff recaptured the lead, 4-2. In the fourth inning, North committed three errors. Althoff scored two more runs in both the sixth and seventh innings to pull the game out of North's reach.

North only managed three hits against Althoff pitcher Tammy Jobird. Jobird struck out 11 North batters while only walking three. Two of North's hits came in the third inning when they scored their only two runs of the game.

Miss Fanning led off the inning with a line drive double to right centerfield. Jill Bledsoe, who also collected a hit in the first inning, then blooped a single behind the second baseman, putting runners on first and third.

The two runs were scored on a squeeze bunt play. Kathy Hutchings bunted the ball down the third base line. The play went to first base and Miss Fanning scored from third. Althoff third to make a play at the plate, but overthrew the ball, enabling Miss Bledsoe to also score.

## Althoff netters down North 6-1

By ALAN L. GERSTENECKER  
of the Press-Record

GRANITE CITY — Brisk March winds made an already difficult tennis match with conference rival Belleville Althoff Monday almost unbearable. The Steelers lost the pairing 6-1.

For the Steelers it was their season debut. Their scheduled season opener against Mascoutah was cancelled because of rain. It has been rescheduled for May.

For Althoff, this was their third match. They had previously disposed of

## Granite North Steelers

tennis power Belleville East and Waterloo Gibraltar.

"I'm hopeful of a good season," said Althoff coach Jim Gasaway. "I think our seniors can do the job for us this year." Althoff has five returning seniors from last year's 14 and 10 team.

The Steelers' lone victory against Althoff came in the singles competition. Senior netter Kendall Whittington defeated Althoff's number one player, Kevin Effinger, 6-4, 6-2.

Whittington, who started a little slow, had Effinger talking to himself in disgust by the end of the first set.

In the second singles match, Althoff's Tim Gagen defeated Steeler Keith Glasgow in straight sets 6-0, 6-2.

North's David Lipe did somewhat better against Jeff Pratt, but still came up on the short end, losing 6-3, 6-2.

Senior Everett Jolly of North defeated Althoff's Craig Lintz in the first set 6-4, but permitted Lintz a comeback in the final two sets to lose the match 4-6, 6-0, 6-1.

In first team doubles action, Althoff's Effinger and Gagen teamed to defeat Lipe and Glasgow in straight sets 6-3, 6-0.

Althoff's second doubles team consisting of seniors Bill Burworth and Mike Murphy defeated North's Whittington and Jesse Byrd 6-1, 6-4.

The afternoon's final doubles match which pitted Althoff's Brian McGovern and Eddie Ables against North's Mike Lauderdale and Scott Dennis ended with the same result. Althoff's senior and freshman team defeated the Steelers in straight sets 6-1, 6-1.

This afternoon the Steelers travel to Edwardsville to take on the Tigers. Matches begin at 4 p.m.

**HIGH SERVE.** North's Kendall Whittington displays the form that enabled him to defeat Althoff's Kevin Effinger in straight sets Monday afternoon when two Gateway East teams met. Whittington was the only Steeler to win his match.

## Lebanon tracksters edge Madison 87-79

Lately, Lady Luck has been looking the other way as far as members of the Madison Trojan track team are concerned.

Monday the Trojans battled the Lebanon Greyhounds and the Assumption Pioneers in Madison, and again finished behind the leaders.

This time Madison finished with 79 points, a mere eight points behind the event-winning Greyhounds, with 87 Assumption, who showed with only a handful of tracksters, finished third with seven points.

Just last week in Highland's quad meet, Madison was edged out of second place by two points by Jerseyville. A disputed close finish during that meet made the difference in the eventual outcome.

Similarly, a disqualification because of a false start in the 400 meter relay, an injured high jumper and other team ailments made Madison's demise Monday.

"Basically, I'm very disappointed," said Madison's track coach Charles Steptoe. "We should be doing better. We've got the talent. If we had a couple of breaks here and there, we could have turned this thing around."

The Trojans will have more than a week to work on the little things that make the difference in a first place finish. Their next meet is not until April 8, when they take on the West Mineral Area in Belleville.

Event Winners  
2 mile relay: Madison, 9:19.3 (Santos, Howard, Maurice Silas, Charles Fuller and Rodney Gary.) Lebanon finished second, 9:53.4.

3200 meter run: Robert Nave of Lebanon, 11:20.3. Madison's Steven Ball finished fourth, 12:12.0.

110 meter high hurdles: Tim Prothro of Madison, 16.5. George Leonard of Madison, second, 18.5.

100 meter dash: Demetrius Price of Lebanon, 11.4. Shawn Brown of Madison, 15.5. George Leonard of Madison, second, 18.5.

800 meter relay: Madison, 12.1. Elmdorf of Lebanon, 2:14.5. Santos Howard of Madison finished third, 2:22.28. Brian Pappa of Madison finished fourth, 2:31.1.

600 meter relay: Madison, (Willie Ball, Ken Briggs, Tim Prothro and Shawn Brown.) 1:40.8. Lebanon, second, 1:45.8.

400 meters: Charles Fuller of Madison, second, 56.5. 300 meter low hurdles: Crump of Lebanon, 49.8. Tim Prothro of Madison, second, 44.8. Leonard of Madison, finished fourth, 46.9.

## NEW PONTOON BEACH LIONS.

Four new members are inducted into the Pontoon Beach Lions club during a meeting last week. The new members seated, from the left, are Gus Falter, Mike Starko, Nelson King and Walter

Conklin. Standing directly behind the new members are their Lion sponsors: from the left, Donald Patrick, Alex Malzynski, Bob Lipscomb and Mike Papp.

## Select 3 for Order of Lincoln medals

Governor James R. Thompson has announced that four Illinois citizens will receive the Order of Lincoln medal May 22 at the 18th Annual Convocation of Lincoln Academy of Illinois.

Medals will be presented to the 1982 laureates by Governor Thompson, president of the academy, during an induction ceremony at the Krueger Center for the Performing Arts at the University of Illinois at Urbana-Champaign.

The 1982 laureates are: electronic engineer and system inventor Dr. Donald Bitzer, of the University of Illinois; U.S. Secretary of Agriculture John Block; educator Marva Collins, founder of the Westside Preparatory School; and Dr. Delyte Morris, president emeritus of Southern Illinois University.

Dr. Bitzer, a native of Collinsville, established a framework for computer-based education that has been followed for two decades. He is the inventor of the PLATO (Programmed Logic for Automatic

Teaching Operations) system which provides an educational computer service for people who know little about computers. He uses include direct instruction, research and communication all over the world and in many languages. Devices can be added to the terminal to make it talk, play music, or do flight simulation.

John R. Block was nominated by President Reagan as U.S. secretary of agriculture in December of 1980 after having served as Illinois Director of Agriculture since 1977. During that time, he supervised the Illinois Department of Agriculture's export offices in Brussels, Belgium and Hong Kong.

He led a three-week People-to-People fact-finding mission to the Soviet Union, Poland, Hungary, Austria and Switzerland. He served as a member of agriculture export teams traveling on the agriculture committee of the National Governors' Association as well as that association's agricultural export task force.

Educator Marva Collins has served to call people's attention to the basics of education and has symbolized dedication to teaching. In founding Westside Preparatory School in 1975, Mrs. Collins set out to prove that all black children, regardless of economic background, can learn and become productive citizens.

Her former positions include a post as U.S. Secretary of Education, Superintendent of Los Angeles County Schools and U.S. Director of Children, Youth and Family Services.

## First instant \$100,000 prize

Lewis Walker Sr., 52, of Gary, Ind., on Tuesday became the first Illinois State Lottery "lucky numbers" player to win the game's top instant prize of \$100,000. There could be six more \$100,000 instant winners before the game ends.

As soon as the forms are processed, Walker will receive a check for his total prize, minus withheld taxes. Normally, major lottery prizes are paid in several annual increments; but all "lucky numbers" instant prizes are paid at one time. Walker said winning his \$100,000 was an easy as adding 5, 5 and 1, coming up with 11, and then uncovering the box on his ticket which had "100,000" printed inside.

To win, "lucky numbers" players add up the three numbers uncovered under their dollar signs on their tickets and win if the totals are seven, 11 or 21. To determine their prizes, players rub off the prize box and win the free ticket or the dollar amount printed in the box. Besides the \$100,000 and a free ticket, players can instantly win \$2, \$5, \$25 or \$50. Those players who claim their \$25 and \$50 prizes are automatically entered into preliminary drawings through which one player will win the game's \$1 million grand prize.

BATTERY ALLEGED  
Battery was alleged by Tammy Snyder, 2836 Denver St., at her home during the weekend. She had red marks on the face, neck and arms. Her husband, Bruce A. Snyder, 21, of 2833 Denver was arrested and then was released on \$52 bond.

## Teenager contest in July

Girls and young women, between 14 and 18 years of age as of Dec. 31, 1982, who hold at least a "B" average in school, are invited to enter the Illinois United Teenager Pageant, scheduled July 15 through July 17 at Illinois State University at Normal. Contestants will be judged on scholastic and civic achievements, beauty, poise and personality. No swimsuit competition or talent is involved.

Each candidate accepted will be asked to participate in the Volunteer Community Service Program of their choice. The program teaches teenagers to share and take part in school and civic affairs by contributing a minimum of eight hours time to some worthwhile civic or volunteer endeavor to benefit the community before pageant time.

Contestants are required to write and present on stage an essay, entitled "My Country." The Illinois winner will receive an all-expense paid trip to compete in the Miss

United Teenager National Pageant, a three-phase pageant, to be held in Hollywood, Calif. (state costume), Honolulu, Hawaii (essay - segment) and Washington, D. C. (final).

Among the prizes to be awarded at the national pageant are: \$15,000 in scholarship and awards; an automobile for the reigning year; a \$5,000 personal appearance contract and a \$2,000 wardrobe.

Those interested in entering the Illinois United Teenager Pageant may write for further information to Janice Billings, P.O. Box 1821, Fayetteville, N. C. 28302 or call 1-818-622-1483.

MOVIE SUNDAY AT OLD CAMP TABERNACLE

## State advice—Don't order 'miracle cures'

By MARY RICHARDS  
Illinois Department  
of Public Health

Miraculous health cures, available only by mail order? An investigation of some of these advertisements was conducted by the American Council of Science and Health.

Of particular interest were the claims made for breast and bust developers. One ad claimed that you could "enlarge your bosom three full cup sizes in only seven days."

According to the ad, "Big Boon Pill" was developed "after 20 years of extensive scientific and medical technology and a quarter century of interplanetary and computer experience."

You will note that even with their quarter century of experience, they misapplied the word "interplanetary."

The ad said, "If we helped put a man on the moon, we surely can put a big beautiful bosom on a deserving lady."

You will understand why the Council was disturbed by such claims if you know that the breasts are composed almost entirely of fat; so the only way to increase breast size is to gain weight. That's what the typical bust developing method turned out to be — a program of weight gain, all over.

One product was a dietary supplement which was to be mixed in a blender with six ounces of milk, a teaspoon of safflower oil, ice cubes and a fruit of your choice. You are told you may also add a raw egg or ice cream. You are supposed to drink this concoction twice a day.

The American Council on Science and Health determined that this drink — even without the egg or ice cream — would add more than 500 calories a day to your diet. At this rate you'll find yourself gaining more than a pound a week.

The Council also ordered a book entitled, "The Height Increase Method," advertised in the back pages of a magazine. The book is only 64 pages long, and the method for increasing your height includes the power of positive thinking, correct posture, stretching exercises and basic nutrition.

The book, which sells for \$20.95, also suggests wearing tights with vertical stripes and higher-heeled shoes. It further recommends an Afro hairstyle rather than the flatter styles.

## High interest — top problem

High interest rates and the federal budget deficit were rated as the most serious problems facing the economy in a survey of top executives of 130 firms conducted by the St. Louis-based American Association of Industrial Management (AAIM).

The executive economic outlook survey, taken between March 4 and March 11, was released Monday.

The questionnaire asked the executives to rank interest rates, federal deficits, inflation and unemployment as economic problems. Interest rates ranked first with 37 percent of the executives, and budget deficits were next with 36 percent.

Twenty percent rated inflation as the most serious economic problem facing the country, and only 7 percent ranked unemployment as the most serious.

At the same time, 69 percent of the executives indicated their support of the Reagan administration program as the best way to achieve long-term prosperity.

Sixty-four percent endorsed the administration's policy of more cuts in federal spending as the best way to boost economic recovery, but 60 percent thought cuts could be made in defense spending — a departure

from the administration's insistence that defense is "off limits" to cuts.

An optimistic note was struck by the executives as 90 percent of them forecast that they will either increase or have stable employment at their companies during the remainder of 1982. But only 17 percent of them responded that their orders or sales increased enough in the past month to indicate definite signs of recovery.

Thirty-four percent don't see any real recovery occurring until the third quarter of this year, and 65 percent indicate that their companies are relying on cost reduction as the major step to help them through the current economic slowdown.

## Cards of Thanks

**THE FAMILY OF FLORIDA**  
BATSON wishes to express  
our thanks and sincere  
appreciation to all our dear  
friends and neighbors for their  
kind expressions of sym-  
pathy, the flowers, and the  
contributions to the special  
fund, made in honor of dear  
mother's name. To the ladies  
of the St. Elizabeth  
Solidarity Society and to our  
dear sisters of the English  
Auxiliary for their kindness.  
A special thank you to Rev.  
John Batson for his very  
meaningful services he said  
and also a special thank you  
to Juanita and Kathy. May  
God bless all of you.  
Florida Batson. 31 41

## Memoriams

**IN LOVING memory of**  
REV. S. F. PETERS, April  
2, 1982. Thirteen years  
passed since that sad day,  
when one I loved was called  
away. God took him home,  
it was His will, which  
heart, he liveth still. —Sally  
minded by wife, Jennie.  
32 41

**IN LOVING memory of**  
MARION J. TINSLEY,  
March 31, 1982. Seventeen  
years ago today, you were  
called away, and we  
sadly taken away, although  
we had to part, you're  
forever in our hearts, and  
there you will remain, till  
we're back together again.  
— Wife, Daughter and  
Grandchildren. 32 41

## NOTICE FOR BIDDER

**TO: DEAN KEESEE,**  
**FATHER OF MARY KAY**  
**KEESSE, A MINOR 87-J330**  
**TO: LEO BLANKENHORN,**  
**FATHER OF MARY KAY**  
**KEESSE, A MINOR 87-J330**  
**ADDRESS UNKNOWN**  
**TO ALL WHOM IT MAY CONCERN:**

Take notice that on the 11  
day of March, 1982 a petition  
was filed under the Juvenile  
Court Act by Asst. States  
Attorney John M. Delaney Jr.  
in the Circuit Court of Madison  
County, Illinois, entitled "In  
the interest of MARY KAY  
KEESSE, a minor", and that  
in Circuit Courtroom at  
Edwardsville on the 29 day of  
April, 1982 at the hour of 1:30  
P.M., or as soon thereafter,  
as this cause may be heard,  
an adjudicatory hearing will  
be held upon the petition to  
have the child declared to be  
a ward of the court under  
that Act. The court has  
authority in this proceeding  
to appoint a guardian of the  
person and property of the  
minor, and to appoint a  
guardian with power to  
consent to adoption of the  
minor.

Now, unless you appear at  
the hearing and show cause  
against the petition, the  
petition may be taken for  
confessed as against you and  
an order of adoption may be  
judgment or decree entered.

## Pontoon annexes, rezones property

by DONNA KIMBRO  
of the Press-Record

In special meeting, the  
Pontoon Beach Village  
Board agreed to annex a  
parcel of land, owned by  
Nelson E. Hedger in the 4000  
block of Pontoon Road, and  
also amended the village  
light ordinance, thereby  
giving the developer, thereby  
green light to bring new  
business to the village.

The 2.5 acres recently  
purchased by Hedger, lies  
adjacent to property he  
already owned and provided  
him with the necessary area  
to build a proposed  
restaurant, lounge, sports  
complex and sporting goods  
store. This particular  
property was zoned  
agricultural.

Developing the site could  
bring an additional \$500,000  
worth of new business and  
revenues to the village.  
Hedger said in his initial  
request.

Trustees during the  
weekend also approved a  
liquor license for Hedger,  
which will be valid 10 days  
from the date of the meeting.

Nelson Hedger Jr., told  
the board at its regular  
meeting on March 23 that a  
building contractor was  
ready to start the project on  
Saturday but, at an earlier  
meeting, he said his target  
date for breaking ground  
was April 15. The equipment  
for the restaurant and lounge

There also is a question  
whether the rate increase is  
allowed under the present  
contract with South-Western  
Cable and the board is in-  
vestigating the legality of the  
increase.

The next scheduled  
meeting will be on April 13.

## Holy Land tour set Oct. 7

Special services are being  
planned for the Holy Land  
Tour and Holy Week at  
Central Christian Church,  
2020 Johnson Road.

Instead of the regular  
CWF meeting, the group will  
meet on the second Tuesday  
for Maundy Thursday.

Joey Rutledge, wife  
of the minister, as Study  
Director of Christian  
Women's Fellowship, will  
have charge of a unique  
Maundy Thursday worship  
service with members of the  
group taking part. This in-  
spirational presentation,  
"Where You There?" asks  
the question.

Is there God? a question  
asked by the Biblical  
characters surrounding the  
cross when Jesus was  
crucified and is still being  
asked today.

In the scene, the main  
character visits with dif-  
ferent members of CWF  
appearing at the cross  
representing Mary and the  
others who were there, and  
with other ladies seated in  
the congregation.

Cometion service will take  
place at 7:30 p.m.  
On Palm Sunday, Mrs.  
Lois Blibrey will be featured  
in singing, "The  
Palm."

Easter Sunday service will  
begin with a breakfast at  
Central Christian Church  
Worship service will be at  
10:45. The sermon topic will  
be "You Can't Have a  
Resurrection Without a  
Crucifixion," delivered by  
Rev. Dennis Rutledge,  
pastor.

Special music will be given  
by the church choir in-  
cluding, "Yesterday, Today  
and Tomorrow" and the  
cantata, "The Lord's Prayer."  
No Greater Love," from John  
W. Peterson's Cantata.

All members are en-  
couraged to attend the  
Community Good Friday  
Service, which is at 12 noon  
at Nidringhaus United  
Methodist Church.
